Sport back on agenda for Strawberry Field?

By PHILIP EVANS

TOWN councillors in Lyme Regis are planning to revive their ambition to see the controversial Strawberry Field site used for sport.

Their plans to use the field on a temporary basis for 26 allotments has hit legal problems, following opposition from landowner Cliff Powley.

Whilst they have not given up using the Strawberry Field for allotments on short-term leases, the council is looking at other alternatives, including Turn Lyme Green's Garden Share scheme and the possibility of land being made available by the National Trust near the existing Charmouth Road allotments.

The council have drawn up leases for the allotments on Strawberry Field, ploughed the field, marked out the plots and provided a pile of manure for each of the plots. They have also taken legal advice after Mr Powley made it clear to the council they could not use the land for allotments without his permission.

They also had to pay him a sum of money for each sub-lease.

Resident Terry O'Grady, speaking during the public forum at last week's full council meeting, asked how much all this had cost the council.

Town clerk Mike Lewis replied that most of the legal advice sought by the council had come free of charge from organisations to which they subscribed.

Mr Powley entered into a

Travellers move onto park and ride

TRAVELLERS moved onto to the Sidmouth Road park and ride site in Lyme Regis late on Friday night.

By Saturday there were seven or eight caravans and other vehicles on the site which is leased to Lyme Regis Town Council by local landowner George Allhusen.

Following visits from the Devon police and town clerk Mike Lewis, the travellers vacated the site late on Monday.

Council workmen moved onto the site on Tuesday morning to clear up the mess and carry out repairs to fencing and the gate. The cost to the council is thought to be several hundreds of pounds.

The travellers had gained enrance to the site by cutting the lock on the gate.

The site is just across the Devon border and the town council is waiting for planning permission to use the field for park and ride for a further three years.

Mr Lewis confirmed that, accompanied by two

ORIGINATING from Birmingham, JOHN DAVENPORT moved to Weymouth when he was just two-years-old with his family who owned the Bowleaze Beach café.

Now under his guidance, the 42 year-old is keen to promote the resort as a stunning holiday location for everyone from young couples to retired sunseekers.

Here the adrenalin junky talks about his love of the Swiss Alps, designs on improving Bowleaze Cove and why he won't be buying Prince Charles a pint in a hurry.

■ WHAT part of owning a seaside resort do you enjoy?
SEEING the many, many returning faces. I enjoy the variety of it all, I wouldn't like being stuck in an office looking at the square walls, there's so many different things going on around here.

■ WHAT do you enjoy about Weymouth?
I THINK it's just a great place to be - by the seaside. Everybody enjoys themselves; other people might disagree but I like the lack of trouble down here. My wife is from Walthamstow and I don't think I would want to live there and put up with that.

■ WHICH hobbies do you enjoy?
I SPEND most of my time snow skiing. I like the outdoors, cycling and clay shooting. I go to the Swiss alps, I love the adrenalin of skiing there and my brother lives there and so it's a cheap way of skiing. I've been there in the past five or six years and my sons enjoy it as well.

■ WHAT would you change about Weymouth?
I THINK what Weymouth could do with a place for surfing. In Weymouth there's nothing and I think they should build a surfing community down here.

■ WHAT changes have you seen in tourism over the last few years?
I THINK it's sporadic down here. Over the years parents haven't given a monkeys about taking the kids out of school but now the government says they're not allowed to. It gets pretty empty down here during the school term. I'm not sure if more people are coming down here or less. Sometimes our turnover suggests there are more people; I don't think the people here have the money, they seem really conscious of whether to spend.

■ WHAT type of holidaymaker do you find comes to Weymouth?
THERE'S a broad spectrum of people who come down here, from families returning each year to young couples to retired people; you just have to take a look about, its totally amazing.

■ WHAT do you think draws the holidaymakers here each year?
I think a lot of people know what Weymouth can be like; it's a peaceful town. There's a massive range of things for people to do if down for the week. The reasons people come down here are two fold: it's a place for people to come with good water access and no problems with parking and I think that helps enormously, without parking we are done for. A lot of people come here because their parents came here and their parents before them and its important having the camping around here, they like the variety of things the place has to offer.

■ WHICH three guests would you invite to the pub?
WELL, I'll tell you who I wouldn't invite: Gordon Brown, because I think he would bore me to death in five minutes while trying to explain to me what a mess he's got this country in. Prince Charles, because he is just a pointless person in society, we've all got our own views but he's an interfering person. I'm quite fond of the monarchy in general but not of him. And celebrity cooks because they're a far too opinionated bunch of know it alls and they just take it all a little to far, but I admire the Reux brothers. I think what they did to the UK, broadening everyone's culinary minds, is amazing.

■ WHAT three things would you take to a desert island?
I WOULD take my wife, children and some beer. I'm not sure if it would be in that order, but I'd take those three things!

RNLI award for town's top chef

TOP chef Mark Hix was presented with a certificate of thanks from Lyme Regis Lifeboat crew after raising over £3,500 for the RNLI.

Chairman of the Lyme Regis RNLI Guild, Rob Michael, handed over the certificate at Mark's Lyme Regis restaurant, Hix Oyster and Fish House, in Lister Gardens.

Mr Hix raised £1,700 at a master class and supper club evening with fellow chef Richard Corrigan. A further £1,000 was made through the sale of Hix Oyster IPA, brewed for Mark by Palmer's Brewery, and £751.50 was realised by selling the Portuguese wine TONNIX, produced by Mr Hix and chef Mitch Tonks.

The chef donated a final £114 from meals served during last year's Lifeboat Week, raising the total to £3,565.50. Mr Hix said he chose to support the RNLI because his late father, Ernie Hix, raised money for the charity in West Bay. He also has a boat moored in Lyme Regis harbour, although he added: "I've never had to use the lifeboat yet!"

Mr Michael thanked Mark for his fundraising and said: "This is one of the largest donations I have received since I've been chairman of the guild."

Dog attacks cat

A LYME Regis resident has warned of dangerous dogs after her cat was attacked and killed.

Fran Wantling, who lives inSilver Street, told the *View from Lyme Regis* how her 18-year-old cat, Murphy, was chased into her garden by a large dog and bitten on the neck and back leg. Murphy subsequently died last Thursday at the Axminster vets.

Mrs Wantling said: "The couple who were with the dog did not have him on a lead, they were fully aware of the attack but haven't had the decency to inquire. If my grandson hadn't pulled the dog away he would have killed him there and then."

Sport for Strawberry Field?

■ FROM PAGE ONE

999-year lease on the 11-acre site to the council on the understanding it would be used for sporting use, including a new home for Lyme Regis Football Club.

He told the council in no uncertain terms that he would never have leased the land to them for allotments and offered to buy it back so the football club could use in in the future.

After making two statements during the public forum at council meetings, councillors met Mr Powley to discuss his concerns.

A report on that meeting with was given to the council's new Operational Management Sub-Committee.

Mr Lewis said that they were still seeking advice from their own solicitor on matters raised by Mr Powley but they were also looking at alternatives so they had a "twin-track approach."

Councillor Stan Williams said they needed a definitive answer on whether they could use the land for allotments.

Councillor Owen Lovell said the council should still be pursuing their aim of providing sporting facilities at the Strawberry Field in the future and he thought they ought to apply for outline planning permission for tennis courts. They should also speak to the football club again to see if they retained any interest in the Strawberry Field.

◆ The football club's £1 million plan for two full size pitches, a multi-use games area and a clubhouse was rejected by planning officers after strong opposition from residents living across the valley.

All set for village horticultural show

OVER 20 trophies will be up for grabs for a vast array of displays at the Uplyme and Lyme Regis Horticultural Society's annual Summer Show.

Flowers, fruit and vegetables, as well as preserves, baking, handicrafts and homemade wine will be included this Saturday (July 17th). There will also be a photographic competition and dog show.

A group of ten judges will be awarding the trophies and invite seasoned competitors and newcomers to enter as many categories as possible to top last year's record number of entries.

Live entertainment during the afternoon will include Apalacian Dancers, the Uplyme Morris Men and local band Black Velvet. There will also be a bouncy castle, a chance to have a go at croquet and skittles, cream teas and a range of stalls.

Demonstrations will be given by the Rousdon Spinners and East Devon Beekeepers, including a colony of live bees. Children's races will also take place during the afternoon.

The event will be held from 2pm to 5pm at the King George V Playing Fields and Uplyme Village Hall.

Show schedules are on sale at Uplyme Post Office, Ginger Beer in Broad Street, Lyme Regis, and Raymond's Hill Post Office.

Showing of film smuggled out of Tibet

THE Lyme Regis branch of Amnesty International are organising two presentations to highlight the plight of those in Tibet and Burma, who are never far away from the news.

Members of Free Tibet will show a 20-minute film called "Leaving Far Behind" tomorrow (Thursday) at 5.15pm, followed by a short talk and question and answer session.

The film-makers travelled through Tibet at great risk and interviewed the citizens. They smuggled the film out of the country but were later arrested, tortured and held in detention. One of the speakers at this event, Dechen, helped smuggle the film out of Tibet.

The second presentation will take place on Monday, July 19th at 5.30pm, when Tony Fairman, Burma country co-ordinator for Amnesty International UK, will discuss "Burmese Generals, Elections and Human Rights".

Burma's military junta has ruled the country for 50 years, killing protestors, torturing political activists and imprisoning those who oppose it.

Both events will take place at Hallett Court on Queen's Walk. Admission is free and free parking is available at the back of the building.

For more information, phone 01297 442237.

Police to take no action over damage to park and ride site

■ FROM PAGE ONE

Devon policemen, he visited the site on Monday morning.

Said Mr Lewis: "They were quite polite and said they would be leaving the site by Tuesday. In fact, they moved out late on Monday night."

Mr Lewis said the council had already sought advice from their solicitors and would have issued a court order to make them leave the site.

He added: "They said they would clear up their mess, but that did not happen, so our men went on site on Tuesday."

Mr Lewis said the council would consider more permanent ways of blocking the entrance once the planning permission had been granted.

They have sought planning permission from Easter to September but the bus operators were not interested in the early part of the season because there were not enough people about to make it viable.

Mr Lewis said the police were not planning to take any action over the damage to the gate and fencing.

■ FUTURE CHAMPIONS: Young sailors from Lyme Regis Sailing Club with gold medalist Andrew Simpson after training together

Olympic sailor's visit to Lyme club

By Francesca Evans

YOUNG sailors from Lyme Regis were visited by an Olympic champion last week.

Gold medalist Andrew Simpson visited Lyme Regis Sailing Club to help coach and inspire the youngsters at their weekly training session.

He joined a 40-strong group in preparing to go to sea, coaching on the water and then gave a talk afterwards at supper.

Andrew won his gold medal in the Star Class at the 2008 Beijing Olympics as crew for skipper Iain Percy. He is currently training with the Olympic team and the Americas Cup squad.

The Olympic champion visited Lyme Regis as guest of club committee member Colin Waters – former commodore at the Datchet Water Club where Andrew trained during the 1980s. Andrew thanked Colin for setting him on his path and supporting him in his sailing.

He added: "Colin put us through our paces every Sunday and wasn't too pleased if we didn't get it right!"

He also described Lyme Regis to have "the best racing waters in England" and told the youngsters: "Make sure you get out there and enjoy it, thank your coaches and keep trying."

Memories of Bulford in Yawl

A HOUSE that has seen many changes and been the starting point for a number of businesses in the area is to be sold.

However the current owner of Bulford in Lyme Road, Yawl is inviting anyone interested in recalling memories of the house and its surrounding land to visit for one last time at an open day to be held on Saturday (July 17th) before the house is demolished following auction.

Local osteopath Tim William, whose mother moved to Bulford in 1958 hopes some of the people will stop by for a cup of tea and a chat to recall old memories and have one last look at the place.

He said: "My mother ran a smallholding on the two and a half acres. We had caravans and chalets and all sorts would come and stay or live here for a while and work on the land. Loads of hippie types and a Yorkshire miner called Lawrence.

"Many people who have made Lyme and the area around their home started here at Bulford."

Church beach stall

ST Michael's Parish Church is holding its annual beach stall tomorrow (Thursday) on the Marine Parade in Lyme Regis.

The stall will be open from 10am to 3pm and will include cakes, books, bric-a-brac and handicrafts, all in aid of the church funds.

Jazz Festival

IN last week's coverage of the Lyme Regis Jazz Festival we referred to Mr Pat Kennils as being one of the organisers. Mr Kenils has asked us to point out that whilst he was a member of the organising committee of the first jazz festival, he is not one of the current organisers. We apologise for this error.

'Do we need a wildlife area in cemetery?' asks councillor

A TOWN councillor has questioned the need to have a "wildlife" area in the Lyme Regis cemetery.

During a debate on the proposed extension to the conservation area in Lyme Regis, which includes the cemetery, Councillor David Cozens MBE said he had received a number of complaints from residents about the "scruffy" state of the wildlife area which they claimed was "ruining the overall effect of the cemetery".

Town clerk Mike Lewis said the council had adopted a policy to allow the wildlife area to grow and perhaps they needed to put up a sign informing the public that it was not a neglected area.

Commented Councillor Cozens: "It is not a park, it's a cemetery after all."

Councillor Owen Lovell did not believe that a cemetery needed a wildlife area.

Councillors were asked to comment on plans by West Dorset District Council to increased the conservation area to take in the cemetery as a satellite and further extensions in Pound Road and Sidmouth Road in addition to the area around St Michael's Business Centre in which the town council has a financial interest.

Councillor Sally Holman reported that the Lyme Area Partnership has discussed the proposals and were opposed to St Michael's Business Centre being included because of further restrictions that would be put on the building.

Councillor Daryl Turner also warned against agreeing to a plot of land in Sidmouth Road being included, pointing out there was limited building land in Lyme Regis and "it might be useful" in the future.

Councillors agreed not to support the extension of the conservation area in Sidmouth Road, at the cemetery and at St Michael's Business Centre.

ROTARIANS presented profits from their annual charity golf day to a school for blind and partially sighted children.

The Rotary Clubs of Lyme Regis and Axminster presented cheques for £1,000 each to Laura Sperring, head of fundraising and PR for the West of England Schools for young people with little or no sight.

The Exeter-based school was founded in 1838 and caters for about 120 students.

ONE of English football's most prolific strikers has strengthened his association with Lyme Regis Football Club.

The former England, West Ham and Everton centre-forward Tony Cottee,who scored 240 first class goals, agreed to become the club's patron during its 125th anniversary year.

Cottee is a friend of former Lyme FC chairman Philip Evans and was guest speaker at a sportsman's dinner organised by Mr Evans last September.

As part of his patron duties, the Sky Sports pundit offered to return to Lyme to present the trophies at the club's annual dinner and presentation night and have a game of golf the following morning with some of the club's former players.

Cottee was true to his word, arriving at the Golf Club on Friday evening much to the delight of the youth sections Under 10s and Under 12s who won their respective leagues.

Unfortunately the game of golf with Lee Caddy, Graham Paterson and Steve Wiscombe did not go ahead on Saturday morning because the golf course was fogbound until 2pm and Cottee had to be back in London by 4 pm.

Tony presented the youth team with their trophies and later in the evening did likewise for the senior teams, made a short speech and conducted a question and answer session in which he expressed strong comments about England's World Cup flop.

Adressing around 100 players, officials and guests, Cottee said he was impressed with the commitment of all those con-

nected with the club and offered to remain as the club's patron and to help out in other ways.

Afterwards, club chairman Howard Larcombe told the ***View from Lyme Regis***: "We are delighted that Tony wants to stay involved with the club.

"The players, especially the youth team members, were really chuffed to have such a big name at our annual dinner.

"How many local football clubs get a former England player to present their trophies?"

In his after-dinner speech Mr Larcombe spoke with pride about the club's achievements in its 125th anniversary year, enjoying one of the best seasons ever on the field of play.

He also referred to the great challenges facing the club, especially the current refurbishment of the Davey Fort clubhouse.

The principle guest for the evening was the Mayor of Lyme Regis, Councillor Michaela Ellis, who made the club her charity for the year, raising £800.

Also present were Club President, Councillor Barbara Austin MBE, Perry Street League officials, Bob and Ruth Brunt, and veteran referee Bob Hall, who also made a speech.

Lifeguards back in town

THE sunshine may have disappeared for the time being, but summer is certainly here.

We know that because the RNLI lifeguards have arrived on Lyme Regis beach for the fourth year running and will ensure the safety of hundreds of holiday makers over the next couple of months.

With last week's soaring temperatures, the lifeguards got off to a busy start.

All are trained in beach and sea rescue, first aid and can deal with minor to serious injuries, as well as helping lost children and giving out beach and safety information.

The guards will be on duty and happy to help in the lifeguard hut on Lyme's main beach, everyday from 10 am to 6 pm until September.

I know some people think it's a waste of money having lifeguards in Lyme because our beach is so safe.

But there presence must be reassuring for the visitors and they also provide quite a valuable information service as well as dealing with minor accidents on the beach.

They are now firmly established as part of Lyme's summer scene.

EVENTS OF THE WEEK

TWO great events over the weekend - the successful Talbot Arms Beer Festival and the Football Club dinner.

After running Race For Life on Sunday morning, my friend and I decided to treat ourselves to a hog roast and jug of Pimm's in the Talbot's beer garden, and ended up staying all evening dancing to local band Papa Le Gal.

The festival was packed-out with a great atmosphere and brilliant entertainment.

A real traditional West Country event and one I'll be looking forward to next year.

Papa La Gal are in big demand this summer and they also appeared at the Football Club's annual dinner and presentation night at the Golf Club on Friday evening.

It was a great night with all the players in celebratory mood after one of their best seasons ever.

Highlight of the proceedings was the arrival of former England, West Ham and Everton striker Tony Cottee, the club's Patron, who travelled down from London to present all the trophies.

He also did an impromptu question and answer session in which he had some very strong opinions about England's World Cup flop.

Music by the sea

BATHED in glorious sunshine, Marine Parade was the perfect setting for the first of Lyme Regis Town Band's summer "Music by the Sea" concerts last Tuesday evening.

The evening concerts will continue every Tuesday throughout July and August, with extra entertainment on some Sunday afternoons from 2.30pm.

Full details of times and dates can be found on the band's website, www.lymeregistownband.co.uk.

One of the highlights of the band's summer season will be a visit from the Wantage Silver Band, who will join them in a joint concert on August 24th.

Not to be missed!

FOR those who are wondering, I managed to complete the 5km Race For Life in 40 minutes on Sunday morning alongside my friend Phoebe Jones, from Seaton.

It was boiling hot in Exeter, so not the best conditions for a run, and I have to admit I'm feeling a little stiff this week, but I'm still proud I took part with thousands of other women.

I raised a total £127 for Cancer Research UK. Thanks to everyone who sponsored and supported me!

5 things to do this weekend

1 Show off your green fingers – There are plenty of prizes up for grabs for top flower displays, vegetables and other produce at Uplyme and Lyme Regis Horticultural Society's annual Summer Show at the King George V Playing Field on Saturday. If you don't want to enter, there's also a dog show, children's races and plenty of other activities.

2 Watch a one-man show – Bill Giles, who led the BBC weather team for 17 years, will give his humorous outlook on his career and current issues, such as global warming, at the Marine Theatre on Saturday evening. For more information visit www.marinetheatre.com

3 Rock out to a classic – Veteran rock'n'roller John Otway, famed for his 1977 hit "Cor Baby That's Really Free", will star at the Woodmead Halls on Saturday night as part of the Legends Return to Lyme series organised by Lyme Regis TV. Tickets available from the Tourist Information Centre, Focus,Broad Street, or on the door.

4 Take an early morning walk - Lyme is at its best in early morning and a brisk walk along the Marine Parade and around the Cobb before the town comes to life shows how lucky we are to be able to spend our summer in such a beautiful setting.

5 Visit Lym's award winning museum - Popular with visitors, it's surprising how many local people have never been inside the town museum. Lyme has a rich and colourful history - and it's all to see in the unique building next to the Guildhall.

UPLYME BEER FESTIVAL PULLS IN THE CROWDS ON BIG SPORTING WEEKEND

by Francesca Evans

HUNDREDS of drinkers soaked up the sunshine at the Talbot Arms Beer Festival in Uplyme.

The annual festival, which offered over 30 beers and ciders, packed-out the Talbot's garden on both Saturday and Sunday.

Entertainment during the weekend included live music from the Three Counties Swing Band and Papa Le Gal, as well as the traditional Uplyme Morris Men, skittles, a hog roast, tombola run by Lyme Regis Gig Club and other games.

The garden emptied out on Sunday evening as hundreds piled inside to watch Spain beat Holland in the World Cup final. The pub also screened the British Grand Prix earlier that day.

Landlord Steve Gardner said: "We were very lucky and impressed with the weather.

"We had a mixed bag of entertainment. The swing band and Papa Le Gal were excellent and I think everyone really enjoyed themselves.

"Hopefully we'll do it all again next year."

BEACH BAPTISM: The Bishop of Crediton, the Right Reverend Bob Evens, and members of Uplyme Parish Church congregation ***Photo by LORNA JENKIN***

A SPECIAL baptism was held on Monmouth Beach in Lyme Regis for the congregation of Uplyme Parish Church.

The Bishop of Crediton, the Right Reverend Bob Evens, held the service of baptism, renewal of baptism vows and confirmations at the water's edge on Saturday, July 3rd.

He was accompanied by the Vicar of Uplyme Parish Church, the Reverend Gavin Tyte.

The ceremony included total immersion in the sea for many of the congregation, followed by a barbecue party at Lyme Regis Powerboat Club for about 200 guests.

Lifeboat crew take on Gig Club ladies

LYME Regis Lifeboat crew are set to make history later this month when they will row a boat around Lyme Bay for the first time in well over a century.

The crew will leave behind the engine-powered "Pearl of Dorset" lifeboat and go head-to-head in a race against the Ladies Veterans team of Lyme Regis Gig Club, as part of Lifeboat Week.

The race will take place at 4pm on Sunday, July 25th. The crew will row one of the club's gigs in a 1.2-mile stretch from Charmouth to Lyme Regis harbour.

Gig Club chairman, Marcus Dixon, said: "We think it will be a fair contest. Our ladies have the technique and the men from the lifeboat crew have the strength. Each gig will have a crew of six and a cox. It should all be great fun."

One lifeboatman said: "It will be a daunting challenge for us. We are used to having the assistance of powerful engines, and using oars is something else entirely. Needless to say, we will be going all out to beat the ladies."

Lyme Regis was first recognised to be in need of a lifeboat in 1826. The following years saw two 27-feet rowing lifeboats used in the town before the first named lifeboat, the "William Woodcock", was introduced in 1866. This was replaced in 1891 by the "Susan Ashley" and in 1915 by the "Thomas Masterman Hardy".

In total the five rowing boats took part in 32 call-outs before the station closed in 1932 and motorised boats from Exmouth and Weymouth were introduced.

Lyme Regis Lifeboat Station re-opened in 1967 following a large fundraising effort.

■ **DAUNTING CHALLENGE: The lifeboat crew get a close-up look at the gig and meet the Ladies Veterans team before their race on July 25th**

There will also be a raffle with all proceeds going to the RNLI.

The Lyme Regis Golf Club Bridge Section holds regular duplicate bridge sessions Monday evenings from 7pm to 10pm between October and March, and new members are welcome.

Golf club members pay just 50p a session and non-members pay £2 plus a one-off season fee of £10.

■ LYME Regis lifeboat crew were called out in the early hours of Wednesday morning to help police trace a missing youth.

Police asked for help when it was feared the 17-year-old boy could have fallen into the harbour.

The crew were called out at 3.24am but stood down without launching six minutes later when the man was found safe ashore.

■ WOBBLY BRIDGE: One of the activities at the 1st Lyme Valley Scouts open day in Uplyme

Lym Valley Scouts set to start new troop in September

THE 1st Lym Valley Scout Group is starting up a new scout troop in September.

The group has a found a leader and assistants after several years of looking, meaning they can offer their cubs the next level of scouting along with other girls and boys aged between 10 and 14 years old.

On Saturday, July 3rd the group held an open day at the scout hut on Rhode Lane, Uplyme.

The scout hut offered a chance to have a go at cooking over a fire, making bread on a stick, building a catapult, water bombs and tent pitching.

Other scouting members from the East Devon district helped out by constructing a rope bridge and letting people try to cross it.

The troop will be meeting on Wednesday evenings from 7.30pm to 9pm at the Rhode Lane scout hut.

Anyone interested in joining or helping should call scout leader Bruce Khan on 01297 443202 or assistant scout leader Karen Yelland 01297 442072.

Fossil Festival attracts 12,000 visitors to town

By Francesca Evans

FOSSIL festival organisers have reported that between 12,000 and 14,000 visitors flocked to Lyme Regis during the May event.

Organiser Kimberley Clarke reported the figure at the recent town council's Community Development Partnership Committee.

She added that 500 children had attended the schools day of the "Dead… and Alive" biodiversity theme fossil festival. Questionnaires completed showed that the majority of visitors had come to Lyme specifically for the event and 38 per cent had travelled from other regions.

There was also a number of international visitors that had travelled to the UK for the festival, with the most popular aspects of the event being the fossil walks, talks, stone balancing and fossils on display.

Ms Clarke told councillors that the fossil festival was part of a larger initiative to develop Lyme Regis into a centre for natural science heritage with the eventual aim of building a Jurassic Coast Studies Centre in the town.

The next fossil festival is set to take place in May 2011 with a marine theme, tying in with other "Maritime Lyme" events taking place next year.

In 2012 it is planned to hold an earth festival rather than fossil festival, including arts, music and performance with an earth theme. This will tie in with the South West Cultural Olympiad and the 2012 Olympics in London.

At last Wednesday's meeting of the full council, Councillor Owen Lovell, commenting on the fact that the Fossil Festival report at the committee meeting was "rather lengthy", suggested that in furture such reports should be submitted prior to the meeting in writing.

He said this would enable councillors to study the reports before the meetings and then ask questions.

Councillor Daryl Turner said the whole point of the Community Development Partnership Committee was to consult and liase with local organisations.

He would not like Councillor Lovell's suggestion to impact on the committee's ability to interact with community organisations.

The chairman of the Community Development Partnership committee, Councillor Stan Williams, agreed that Councillor Lovell had a point, although some of the organisations that reported to his committee might not have professional resources available to them.

Fossil Festival art work to go on show

THE Marine Parade shelters in Lyme Regis will be brightened up with Fossil Festival artwork until their refurbishment begins in September.

During the Fossil Festival "Dead… and Alive!" in May, young people of Lyme worked with a professional artist to design and four large boards on the festival's theme of biodiversity.

The art reflects the process of evolution and organiser Candida Blaker said the young people were "incredibly proud of what they had achieved".

Lyme Regis Town Council granted permission for the boards to be mounted in the shelters until work begins in September with information explaining the project.

Skatepark stalled

PLANS for a skatepark to be built in Lyme Regis have stalled, town councillors have been told.

Councillor Lucy Campbell, who has been leading the project, reported that no recent developments have been made regarding the skatepark since Lyme Regis Town Council requested permission from the district council to site the facility in Charmouth Road car park.

Councillors suggested that the matter be discussed at an upcoming meeting with the chief executive of West Dorset District Council.

It was also decided that district councillor Daryl Turner should be sent all skatepark correspondence, as well as Marshwood Vale district councillor Michael Robinson.

Apology

Apologies to Miss Annabelle Grose, new head teacher at St Michael's Primary School in Lyme Regis, who was incorrectly referred to as Mrs Annabelle Gross in last week's *View from Lyme Regis*.
We are sorry if any offence was caused.

Fears over the future of Charmouth as coaches boycott chock-a-block village

by Paul Crompton

BUSINESS leaders are fearing the worst for Charmouth's future since coach drivers began boycotting the village over the lack of parking facilities.

As the controversial Lower Sea Lane development continues to run over schedule, coach drivers are deciding to seek alternative destinations to park – depriving the village of around £500 per coach.

The affordable housing scheme has meant the slashing of coach spaces from six to three, with West Dorset District Council refusing to add more in the village.

Driver Kevin Lacey from Holman's Coaches said he would be telling his colleagues to re-route their journeys to avoid the village after struggling to find a parking space.

Mr Lacey said: "We've stopped there loads of times before when we go from Southampton to Oakhampton so we stopped for a lunch break as normal so the children could go to the toilet and go into town to buy sweets.

■ FARCICAL: Driver for Taylor's Coaches, Phil Church and Tony Arnold are angry about the lack of coach parking in Charmouth following a housing development

"I didn't know building work was going on there but when I arrived I struggled to even get into the car-park. It was a real hassle and I won't be going there again.

"I can assure you everyone has the same feeling. All the other drivers in our company feel the same and say if there is no place to stop they just won't go there.

"I will probably go to West Bay or go a different route."

Charmouth Traders Association chairman and owner of Nica Shop, Phil Triton said he thought the whole development was very well intended but feared the lost car-park and coach parking spaces were not going to be replaced.

"Because of over running, the last bank holiday cars parked all over the place and coaches could not get in or out and the village and heritage centre lost business because the coach drivers were not coming," he said.

"Coach parties of all ages come and if the drivers cannot park here they won't stop here.

"In the long term any loss of car-parking in the village is going to affect the shops and heritage centre. It's going to be quite tough and I'm not sure how to counter act that yet."

Driver for Taylor's Coaches, Phil Church said: "Three coach bays in the summer is not enough. When you get six or seven coaches here where will they all park, why should we suffer?

"We might be forced to park out of town, but when we are here we might go for a coffee and that's all money going into the town.

"It's wrong of WDDC and I've tried to contact their car-park people, but surprise, surprise nobody has got back to me."

His colleague Tony Arnold said: "I don't see why they stuck the coaches in the corner when they could have them around the middle in a herringbone pattern.

"It's a farce trying to get out of here. A coach the other day had to reverse all the way down to the main road because there was nowhere to turn round. Luckily there was two of us here but imagine trying to do that on your own with a coach full of children.

"If the coach bays were left in the middle, no problem for us, but by putting cars there, which have more moveability than a coach, seems ridiculous."

WDDC's parking services team leader Eugene Barnes said the use of the car park had been very low for many years and the district council decided to release part of the car park for much needed affordable housing.

"There are no plans to increase the number of parking spaces in the village," he said.

"The number of car parking bays has reduced the most while coach parking bays have reduced by just two."

Mayor to be town band's new president

THE Mayor, Councillor Michaela Ellis, has agreed to act as president of Lyme Regis Town Band during her term of office.

Future mayors will also hold the position of president.

The idea was proposed by musical director John Powell at the band's recent Annual General Meeting and members agreed unanimously that a request be put to the mayor.

As president the mayor would have to attend future AGMs but not regular committee meetings.

The request was put to full council last week. Councillor Ellis said she thought it was "a nice idea" and councillors agreed she should take on the role.

Carl leads ghost tours

GHOST tours of Lyme Regis have already started again and will run every Tuesday and Thursday night throughout summer.

The historical and spooky tours are led by Carl Salter in fitting costume and will meet outside Lyme Regis Museum at 7.30pm, weather permitting.

Adults fee is £3.50, children £2.50 and children under 10 accompanied by an adult can join in for free.

The money will be split between Carl's three chosen charities, Lyme Regis Town Band, the Club for Young People fund and an animal charity based in Nepal.

Planning decisions

LYME Regis Town Council recommended approval to replace metal windows with timber frames at the former West Dorset District Council offices on the Cobb.

The council also recommended approval to replace a window at 2 Gatesfield, Sidmouth Road, and found no objections with plans for internal and external alterations at 3 Woodville, Silver Street.

All three applications will now face WDDC.

Aqua King Construction

Aqua King Construction is a swimming pool installation specialist company based in South Somerset. Shane King has been involved in the swimming pool industry for 20 years. He is a Member of the Institute of Swimming Pool Engineers www.ispe.co.uk. His expertise is the installation of indoor and outdoor in ground swimming pools.

If you are considering either a liner or concrete pool, we recommend you arrange a free site visit to receive initial advice and cost estimate. If ancillary building work is required to complement the installation of a pool ie pool houses, pergolas, extra paving, retaining walls and general landscaping then Aqua King would be delighted to include a price for this work with their quotation. (Construction needs to be divided into five categories)

Liner Swimming Pools Aqua King constructs the shell for a liner pool from concrete blocks as this method offers greater long-term durability. A custom made liner is fitted to make the shell watertight. Liners are available in a variety of colours and patterns.

Reinforced Concrete Pool A reinforced concrete pool is a luxury top end specification for a swimming pool as it is more expensive to construct and finish than a liner pool. The shell is built of steel reinforced concrete; waterproof render is applied and finished in tiles, natural stone or pool plaster.

Indoor Pools If an indoor pool is to be constructed in either an existing building or a new purpose built pool house, Aqua King can undertake the entire project including air handling and dehumidification.

Swimming Pool Covers Aqua King will advise on the wide variety of covers available. If the budget permits the installation of a fully automatic safety cover Aqua King is a recommend dealer of Dripool Automatic Safety Covers www.dripool.co.uk

Swimming Pool Design Aqua King draws upon its considerable experience to offer advice on pool design, size, position etc. However, we can quote from existing architect or garden design plans. Alternatively, we can be involved with these meetings from the start to assist with technical detail.

If you wish to commission a detailed pool specification plans, including all the technical detail, these can be drawn up at an extra cost. This is not normally necessary for an outdoor domestic pool.

If you already have a swimming pool and would like it refurbished, upgraded or need to replace equipment, Aqua King would be delighted to be of assistance.

The installation of a swimming pool is a specialist construction. Aqua King offers a consultation package, including the supply of pool equipment. This option suits the self builder or a client with other building contractors already working on site who require technical assistance.

Aqua King offers a pool maintenance and service contract including the supply of chemicals. Shane is fully qualified to advise on pool sanitation and water chemistry.

Groves Nurseries

CW Groves & Son Ltd, is not your usual garden centre, it is in fact a nursery that grows thousands of plants that are sold through its garden centre, the Groves family have been growing and selling plants for six generations, this experience of horticultural knowledge shows through the diversity of plant range to be found in their Bridport centre, they cater very much for the amateur gardener as well as the experienced one and have staff with a wealth of gardening knowledge on hand to help.

It is very important to get the balance right in the garden and it has become increasingly obvious over the last few years that people are realising that the garden should not only provide a feast for the eye, but also a feast for the tummy and we have noticed a huge increase in the sale of our vegetable seed and plants, most of these plants are grown in our own nurseries and we have over the years learnt what varieties will grow the best in this area and we are confident when we place these plants on our sales benches.

Tomato plants are very popular and it seems that most households grow them these days, there is always room for a growbag in the corner of your garden, yard or patio. You may prefer the upright standard varieties like Moneymaker Alicante or the hybrid Shirley, that we recommend or you may prefer the sweet cherry sort like Gardeners Delight or the yellow Sungold, some folk even put them in hanging baskets in which case you would need the variety Tumbler. We also recommend an outdoor variety called Ferline, which has some resistance against potato blight, but make sure the frost has gone before planting out.

Not every one likes the hustle and bustle of a garden centre this time of year, in which case we cater for that also, you can visit our Beaminster branch called Little Groves, this is a pretty smaller nursery, with a garden essentials shop attached, it also grows much of its own plants specializing in herbs and aromatic plants as well as general nursery stock.

Finally, gardens are to be enjoyed and it doesn't all have to be hard work, barbeques and garden furniture take up a large proportion of our shop this time of year and we cherry pick the best products from a number of different suppliers, again, to the taste of the Dorset Gardener.

So, take a trip to the durrasic coast where you will find a wealth of delights for your garden. GET ON DOWN TO GROVES.

Little Groves Nursery

Over at Little Groves, the nursery is currently packed with all sorts of usual and unusual herbs. Summer salads can be brightened up with edible flowers such as Pineapple Sage, Chicory, Calendula and Heartease, or made funky with herbs such as Red Veined Sorrel, Salad Burnet or Amaranth. You can make great seasonings for your BBQ's with herbs such as Thyme (Green, Lemon or Orange!), Rosemary, Basil, Vietnamese Coriander, Sage and Fennel. And of course herbs can be great in Cocktails and Summer drinks, whether it's Mint for your Mojitos, Borage flowers for your Pimms or Strawberry Spinach for your punch! Don't worry if you're not sure what you're doing with herbs – we're happy to help!

Fun in the sun at sports day

by Francesca Evans and Tom Glover

CHILDREN from Mrs Ethelston's Primary School in Uplyme enjoyed glorious sunshine at their annual sports day.

The event was held on Thursday, June 17th at the King George V Playing Field in Uplyme, where pupils took part in a mixture of traditional and novelty races.

Parents and families cheered on the children before having a go themselves.

Both St Michael's and Charmouth Primary Schools held their sports days on Wednesday, June 30th.

St Michael's held traditional and novelty races in the Anning Road Playing Fields in Lyme Regis, as well as athletics such as soft javelin, shot-putt and long jump.

The red team came out on top winning the Nuttall Trophy and Year 6 pupil Thomas Tate won the Axe Valley Runners Cup for best sporting effort during the school year.

Charmouth Primary School split into their team colours with year six pupils captaining their teams. The traditional sports day favourites were all there as well as a few unique events including the carpet tile relay and the hula-hoop hop.

■ TINY TOTS: Reception boys from St Michael's take part in a race

■ WHACK IT: Children used a hockey stick and ball in the novelty races in Lyme

■ ON THE HOP: The hula-hoop hop was a popular event in Charmouth

■ QUICK FEET: Charmouth pupils take on the slalom

■ TEAM EFFORT: Children from Mrs Ethelston's work together in relay races

■ PROUD WINNER: One student from Uplyme was very pleased to cross the finishing line

■ BOUNCING ALONG: One of the novelty races included bouncing on space hoppers at Mrs Ethelston's sports day

Our staff is all qualified, ranging from Advanced Canine Psychology, Veterinary Nursing, Advanced Grooming and Animal Care, not to mention years of experience working with a variety of animals.

On arrival, a warm welcome awaits you from the newly appointed receptionist, along with a waiting room where tea or coffee is available, our pet portrait album to browse or magazines with plenty of pet and grooming advice.

Our success is thanks to happy loyal customers and pets who continue to promote our service through personal recommendations of a quality service and value for money prices, and return on a regular basis to pamper their pets and experience our pet makeover service.

Our sister company, Creature Comforts Photography Service is available for your pets portrait to be mounted on photo, canvas, mouse mats or any other product of your choice. Traditional Café at the heart of Bridport that caters for all

Joint business partners TJ and Shirley would like to make everyone in West Dorset aware that they are proud to regard themselves as one of the last standing 'traditional style' cafés in the area.

You can pop into Café Royal in Tannery Road, Bridport for a slap up all day Breakfast or freshly battered cod and chips at any hour of the day and feel completely relaxed, be yourself and watch the world go by.

TJ joined up with Shirley 7 years ago at the helm of the business with a vision to keep the retro feel of the business as close to that you would have experienced in café/diners in the 50's and 60's. They have moved with the times somewhat but feel that with more and more modern, downsized up-market outlets opening in towns all over, it will be a shame to loose the traditional style cafe altogether.

The many large windows flood plenty of sunlight into this airy, spacious café that boasts additional features in a Juke Box, Pool Table and children's play pen. It is large enough to cater for parties of 30-40 people and often does when coaches stop in the station opposite.

Children's parties have also been held at Café Royal as they love the kid's meals for £2 and there is a large penny sweet counter that the kids are very fond of.

For more information call TJ or Shirley on 01308 422012 or just pop by to enjoy the relaxed atmosphere at the café Royal.

Beautiful fashion boutique for "real" women

Figure Eight located in Antelope Walk Dorchester specialises in fashion for "real" women from sizes 16 to 30.

The shop is the brainchild of proprieter Elaine Keetch, a designer who ran successful businesses in Bath, Wells and Yeovil before relocating to Dorchester.

Elaine explains, "several of my friends were bemoaning the fact that as plus size girls, they were disappointed with the range of day and occasion wear available. I felt that there was a real problem for ladies who were not in the size 8 to 12 range who still needed clothing to suit their lifestyle and I decided to specialise in finding the very best clothes in sizes up to 30".

Since opening in Dorchester the collections have grown, stocking labels from across Europe, Chalou, Sempre Prui, Be The Queen, Rhiona Stone to name a few.

Due to the demand for the collections, Elaine is looking at stocking some ranges from a size 12.

Figure Eight will soon be launching their new website where you will be able to browse new Autumn/Winter collections and be made aware of seasonal promotions and events.

Personal shopping experiences will also soon be available for those who find it difficult to come during shop opening or for a personal shopping experience to share with friends and have fun for an evening.

As always, we also stock a fantastic range of handbags, wraps, jewellery and other accesories whatever your size.

If you have not yet visited us, please call in for a warm welcome.

A new word in style for county town

A shop that mixes the work of Dorset designers with internationally famous names is the latest addition to Dorchester's buoyant retail scene.

Eureka is the second retail venture by entrepreneur Tim Altham, whose business until now has been in supplying quality retailers with stylish stationery and fashion accessories. The first Eureka store opened in September 2009 in Swanage.

Products at the Dorchester store include stationery and accessories from Designers Guild, beauty products from Drenched and Glamourflage in Australia, TOKYObay watches from San Francisco, stationery and ceramics from Cath Kidston and Nora jewellery from Norway (exclusive to Eureka).

Designers from Dorset are responsible for the shop's lively spread of greeting cards and wrappings, as well as the range of contemporary eco bags which, says Tim, are leading the field in colour and design.

He said: "We have produced the most ethical range of eco bags on the market. The content is entirely recycled, from old plastic bottles, and no one else is doing that with folding eco bags."

Eureka, Tim says, sets out to offer "an infusion of colour and design, across a whole range of products – as many as possible from Dorset designers.

"We want to support local artists and designers, and we are always happy to talk to them about their ideas."

I should "pick" a fishy for my little dishy…

Billy the fish has been established in Dorchester for some time now and the people of the area have recognised his business as two sections, a Fish Monger on one side and quirky Sea Food restaurant on the other.

Recently Billy the Proprietor decided to combine the two and incorporate a significant fresh fish counter into the restaurant layout, giving his customers the chance to visually select their choice of fish and sit by and watch as it is prepared and cooked to their liking.

For example, why not pick and mix a fresh fish platter made up of prawns, scallops, calamari and lobster to be freshly prepared and served for a group of you to share.

You do not have to eat your pickings in the restaurant, the fresh fish counter operates as any other fish monger does and gives it's customers the opportunity to buy 'fruites de mer' over the counter and do the cooking bit at home or on the bbq.

The restaurant that Billy created now seats 36 and more if the venue is booked for private buffet parties. The business also has been known to cater for wedding parties, birthdays (with karaoke) and also special cook nights where you can (in small groups at a time) actually go into the kitchen and take part in the process of filleting and cooking the fish.

There are lunch and evening menus containing all fresh locally caught fish, meat and vegetarian options, vegetables which come, in particular, from Billy's father's allotment which adds to the friendly local feel of the business.

Lunch is served daily from 11-4pm and evening dinner from Thursday to Saturday from 7pm-late but Billy would like to make it clear that if you wish to book a table for an evening that is not advertised as open, the team will gladly open the restaurant to meet your needs. Tea and history anyone?

The Duke of Monmouth landed at Lyme Regis on the 11th June 1685 to challenge King James' claim to the throne, following the death of Charles II. He assembled an army in excess of 3,000 men and marched to Sedgemoor in Somerset.

He was defeated by the King's army in less than a month. Around 1300 were taken prisoner. Five Judges came to Dorchester with the infamous Judge Jeffreys, whose reputation was that of the 'hanging judge'.

In September 1685, 312 cases were heard in the Oakroom at the rear of the Antelope Hotel; of these 292 were sentenced to death. Only 74 were executed, with 175 transported, 9 were fined or whipped and 54 were discharged.

Judge Jeffreys – having his eye on promotion – was later made Lord Chancellor.

When King James fell and William of Orange landed in Torbay, Jeffreys was captures and imprisoned in the Tower of London. He died in 1689 while awaiting trial, probably of natural causes.

Rumours at the time said he has been poisoned while in the Tower and that his body had been returned to Dorchester and walled up in the Courtroom – now the Oakroom.

This 17th Century Oak panelled room has been carefully restored to maintain its character and original features.

Today it is called The Oakroom and is a delightful tearoom, with a peaceful, tranquil atmosphere, replicating the style and service of a Lyons Corner House. The Oakroom of today serves a variety of light meals throughout the day and service is a high priority. The staff at the Oakroom pride themselves on their high levels of customer service, creating a warm, homely atmosphere where you can enjoy lovely lunches and of course, Dorset clotted cream teas.

Countdown to Camp Bestival

ELLIE GOULDING

IT'S NOT long to go now until Dorset's top music festival, taking place at Lulworth Castle on Dorset's Jurassic Coast from July 30th - August 1st. This year's Camp Bestival features Friendly Fires, Madness, Calvin Harris, George Clinton & Parliament/Funkadelic, Billy Bragg, The Fall and Lee Scratch Perry.

There will also be a very special show for the children at this year's event. A starry-eyed Rob da Bank, Camp Bestival curator, says: "Anyone with a child younger than 4 or 5 will know the story of *The Gruffalo*... in fact, most of my mates without kids know it better than Dickens or Shakespeare, which is kind of worrying yet also proof that we needed this show hot off Broadway to come to the Camp!

"With two shows over the weekend, no-one need miss it; this will be a highlight I'm sure. Add in the hottest tipped artist of 2010 Ellie Goulding, my old mates Zero 7 DJing, Tinie Tempah rippin' it up and ukuleles, folky beards and rave synthesisers it's all shaping up rather nicely."

There are plenty of jaw-droppingly good live acts who will be joining the party including perfect precision pop from David E. Sugar, chill wavers Summer Camp, surfer-blues three-piece The Martin Harley Band, chip-tune warrior Unicorn Kid, teenage tearaway Charli XCX, award winning multi-instrumentalist Jim Moray, post-folksters Spindle & Wit, alternative soul from Woon, the inimitable Dulwich Ukulele Club, meditative riffing from Flux Ache, boy-girl dream pop duo Visions of Trees, the Isle of Wight's Cooly Haste and nu school disco crew Soft Rocks.

Putting the needle to the records will be a cavalcade of selectors including Zero 7 who will be playing a soul and boogie set, the boundary busting Balearic Brothers, Dub Pistols kingpin Barry Ashworth, Sunday Best's very own Fear of Theydon and proto-house spinner Tosh Ohta.

Tickets are flying for Camp Bestival so make sure you get it together and come and join in the fun at a fairytale castle by the sea for a weekend of magical mayhem and family fun! For all the latest news remember to keep checking www.campbestival.net

Chordelia return to Lyme with 30s cabaret show

RENOWNED Scottish performing group Company Chordelia is making a return visit to Lyme Regis at the end of July with their new show. Having been a hit in March with their show Les Amoureux, the company is returning to the Marine Theatre with Cabaret Chordelia, a cabaret performance based around the cabaret scene of early 30's Berlin.

Cabaret Chordelia is an erotically-charged and witty reinterpretation of the cabaret of the 1930's, sumptuous, sensual and mischievous while remaining true to cabaret style – a darkly profound and intimate blend of song and dance. Baritone Damien Thantrey is joined by piano accompaniment, and high calibre dancers, including artistic director Kally Lloyd-Jones, bringing the music alive and exploring its emotional depth. The performance is fresh and forward-thinking while winking at traditional forms of cabaret.

Cabaret Chordelia is directed and choreographed by Chordelia's Artistic Director, Kally Lloyd-Jones. She recently directed Katya Kabanova for Scottish Opera and was Movement Director/Choreographer for Scottish Opera as well as the Royal Scottish Academy of Music and Drama. The cast is made up of Kally Lloyd-Jones, Kimberley Lawrie, Kirsty Pollock and opera singer, Damian Thantrey, who is currently performing in A Little Night Music at the Théâtre du Châtelet, Paris and recently sang in Scottish Opera's Die Fledermaus and A Night at the Chinese Opera.

Marine Theatre Creative Director Ian Stephens said: "I loved the Company's performance of Les Amoureux; it was quite unlike anything we've had here at the Marine Theatre. The Company themselves were a delight to work with, and totally committed to making their visit to Lyme Regis as successful as possible. So when we were having a drink in the bar afterwards, I started talking to Kally, Chordelia's Director, about a return visit only to find that she was thinking along the same lines. The opportunity to have them showcase their Edinburgh production here at the Marine Theatre was too good for either of us to resist. Cabaret in Berlin in the thirties was utterly distinctive and intoxicating (think Cabaret the musical), so to place a range of song and dance in that context sounds fabulous. I'm really looking forward to seeing Chordelia back in the Theatre. As the last night of their run is my last night as Creative Director here, it will be that little bit more special for me"

Cabaret Chordelia is at 8pm each evening, from Sunday 18th to Saturday, July 24th at the Marine Theatre. Tickets cost £8 (Sunday - Tuesday), £10 (Wednesday - Thursday) and £12 (Friday - Saturday) available from Lyme Regis Tourist Information Centre on 01297 442138, online at www.marinetheatre.org.uk.

A fresh take on a Shakespeare classic

MIRACLE Theatre Company brings their a fresh adaptation of Shakespeare's timeless love story, Romeo and Juliet, to Bridport on Thursday (July 15th).

But this is no ordinary retelling of a classic tale. Known for its richly inventive and physical theatre, Miracle creates a totally original world where senses soar and humour is found in unexpected places.

Shakespeare's lovers inhabit a war-torn place where society is fiercely divided and everyone around them is blinded by conflict and hatred.

Taking place on the Millennium Green outside Bridport Council Offfice, the show promises to be a real summer treat for audiences of all ages. An open air theatre show is a real experience, getting up and close to the professional actors as they perform one of Shakespeare's most loved plays.

As this is an outdoor show, you should follow the Five Golden Rules of Open Air Theatre:

- Arrive early: pick a great spot and enjoy the surroundings
- Come prepared: stay comfy with warm woollies, blankets (and waterproofs!)
- Bring your own seat: you'll need a chair or blanket
- Grab a torch: so you don't get lost in the dark!
- And don't forget your picnic! (Including tipple of choice)

Miracle Theatre Company's production of Romeo and Juliet takes place at 7.30pm on Thursday, July 15th at Millennium Green, Mountfield, DT6 3JP.

Tickets are available from the box office on 01308 424204 priced £10, £9 for supporters, £6 for concessions, £5 or £28 for a family ticket.

Poetry for Pleasure

by Frank McGarry

A Poem for Older Folks

A row of bottles on my shelf
Caused me to analyze myself.
One yellow pill I have to pop
Goes to my heart so it won't stop.
A little white one that I take
Goes to my hands so they won't shake.
The blue ones that I use a lot
Tell me I'm happy when I'm not.
The purple pill goes to my brain
And tells me that I have no pain.
The capsules tell me not to wheeze
Or cough or choke or even sneeze..
The red ones, smallest of them all
Go to my blood so I won't fall.
The orange ones, very big and bright
Prevent my leg cramps in the night.
Such an array of brilliant pills
Helping to cure all kinds of ills.
But what I'd really like to know...
Is what tells each one where to go!

OF course, whatever age we are, we are all getting older. We may not like it, but as a comedian once said, "It is better than the alternative." One way of making old age more tolerable, and even enjoyable, is to keep busy as James Ball Naylor, a doctor and humorist from Ohio, knew when he wrote this verse.

Authorship

King David and King Solomon
Led merry, merry lives,
With many, many lady friends
And many, many wives;
But when old age crept over them,
With many, many qualms,
King Solomon wrote the Proverbs
And King David wrote the Psalms.

A LOT of things change as we age. A poet named R.G. Wells speaks from personal experience and lists some of the things that he observed.

Growing Older

A little more tired at close of day,
A little more anxious to have our way,
A little less ready to scold and blame,
A little more care for a brother's name;
And so we are nearing the journey's end,
Where time and eternity meet and blend.

A little less care for bonds or gold,
A little more zeal for the days of old;
A broader view and a saner mind,
A little more love for all mankind;
And so we are faring down the way
That leads to the gates of a better day.

A little more love for the friends of youth,
A little more zeal for established truth,
A little more charity in our views,
A little less thirst for the daily news;
And so we are folding our tents away
And passing in silence at close of day.

A little more leisure to sit and dream,
A little more real the things unseen,
A little nearer to those ahead,
With visions of those long loved and dead;
And so we are going where all must go –
To the place the living may never know.

A little more laughter, a few more tears,
And we shall have told our increasing years.
The book is closed and the prayers are said,
And we are part of the countless dead;
Thrice happy then, if some soul can say,
"I live because of their help on the way.

Stewart Lee for Electric Comedy

STEWART Lee began stand-up at the age of 20 in 1988, winning the Hackney Empire new act of the year award in 1990. In the 90's he contributed to various BBC Radio comedy shows, including *Fist of Fun* and *On The Hour*, with Steve Coogan and Chris Morris, performed as a stand-up almost nightly on the London circuit, and co-created four series for BBC2 with Richard Herring.

Stewart directed the Mighty Boosh's breakthrough Edinburgh show, *Arctic Boosh* (1999), Simon Munnery's Golden Rose Of Montreux nominated BBC2 show, *Attention Scum*, (2000), and a revival of Eric Bogosian's *Talk Radio* (Underbelly 2007). In 2001 he was invited to help write the libretto of, and direct, the composer Richard Thomas' developing work, *Jerry Springer The Opera*, at Battersea Arts Centre. The show won four Olivier awards after its National Theatre run, though it was prevented from enjoying any commercial future by the pressure group, Christian Voice.

Stewart's subsequent three stand-up shows, 2004's *Stand-Up Comedian*, 2005's *90s Comedian* and 2007's *41st Best Stand-Up Ever*, gradually built his live audience and contributed to BBC2's decision to commission his 2009 series, *Stewart Lee's Comedy Vehicle*. This was followed by a new stand-up show, *If You Prefer A Milder Comedian Please Ask For One* (2009), and a new series of Comedy Vehicle is due in 2011.

Stewart Lee is hailed by Ricky Gervais as being 'The funniest, most cliche free comedian on the circuit' and Time Out calls him "One of the top three or four living stand-ups."

You can catch Stewart Lee live at the Electric Palace on Wednesday, July 28th, when he headlines the Electric Palace's comedy club. Joining Lee will be resident compere Craig Cambell and comedian Bridget Christie.

Tickets are on sale now for £10.50 from Bridport TIC on 01308 424901. Doors open 7pm for an 8pm start.

Fantastic folk double bill

A DOUBLE bill of outstanding folk musicians are coming to Bridport Arts Centre on Tuesday, July 20th - one of the UK Folk and Acoustic scene's most loved and admired performers, Roy Bailey and David Ferrard.

From his early days performing skiffle in student union bars, to his love of traditional songs and the stories they tell, onto developing a unique repertoire of songs of dissent and hope.

David Ferrard blends his own original songwriting with traditional material from both sides of the Atlantic. His strong, catchy melodies and commitment to social issues make his music both accessible and meaningful. He has supported Richard Thompson and Richie Havens, as well as selling-out headline gigs of his own.

Roy Bailey

David Ferrard

With two performers sharing the bill, this promises to be an evening of both beautiful and meaningful music. Tickets can be purchased from Bridport Arts Centre's box office on 01308 424204.

Roy Bailey and David Ferrard play at Bridport Arts Centre on Tuesday, July 20th at 8pm. Tickets cost £10, £9 Supporters, £8 concessions, £5 students.

Veteran rock showman Otway for Lyme gig

ROCK veteran John Otway dubbed himself rock 'n' roll's 'greatest failure' after many unsuccessful attempts to produce a second hit single to follow his 1977 classic, *Cor Baby, Thats Really Free* with Wild Willy Barrett. However, a mere quarter of a century later, he was back on Top of the Pops with the wonderful disco pastiche, *Bunsen Burner* and back in the charts as a birthday present from his adoring fans. More recently, his *Beware of the Flowers Cause I'm Sure They're Going to Get You Yeah* was voted the seventh greatest lyric of all time in a BBC poll. John Otway attacks his set list with gusto, leaving plenty of room for anarchy, fun and the mad acrobatics that are his trademark!

John Otway

John Otway plays at Lyme Regis' Woodmead Halls as part of the Legends Return season this Saturday (July 17th). Doors open 8pm, bar open 7.30pm

Tickets in advance cost £12, on sale at the Tourist Information Centre (01297 442138) and by PayPal at this page on our website: http://www.lymeregis.tv/legends.html

Gavin and Stacey set for one-off return?

REPORTS suggest that the BAFTA-winning comedy, ***Gavin & Stacey*** is set to return for a one-off special.

It is claimed that *Ruth Jones*, who co-wrote the hit BBC series with *James Corden* has confirmed that a special one-off episode will be made after more than half a million fans signed a Facebook petition calling for the show's return.

The team behind the show had previously ruled out a return for the much-loved series but speaking to fans in Barry, Wales, Jones who also plays Stacey's best friend Nessa is reported to have said: "It looks like there will be a Gavin & Stacey special some time in the future. It will show how things worked out for Gavin and Stacey - and for Nessa and Smithy."

WELSH warbler *Katherine Jenkins* will star in this year's ***Doctor Who*** Christmas special on BBC One as part of the most Christmassy Christmas special ever. Katherine will act in her first major role alongside Harry Potter star and acting stalwart *Michael Gambon*.

Previous festive specials have featured John Simm, Catherine Tate and Kylie Minogue.

IT seems like everyone's been tipped for the job at some point but now *Tess Daly* is said to be the new host of ***The One Show***. Reports suggest that the Strictly Come Dancing presenter is in talks with BBC bosses about replacing Christine Bleakley and teaming up with Jason Manford on the famous sofa. A BBC source revealed: "Tess is the one they are after. She has the sort of face you'd want to switch on to after a day at work".

NOT content with presenting panel comedy show *Shooting Stars*, *Vic Reeves* and *Bob Mortimer* have revealed they fancy doing a sketch show again. The pair became famous for their surreal comedy shows ***The Smell Of Reeves And Mortimer*** and ***Bang Bang***. Vic said: "We'd like to get in the studio next week and start doing a Bang Bang or Smell Of. But until we get the green light, we'll just keep doing Shooting Stars."

Harveys' hard work rewarded

JON and Cathy Harvey won Best Small Garden for their delightful oasis at the back of their house in North Allington, Bridport at the recet Melplash Garden Show Competition.

The judges were impressed by the excellent use of the very limited and unusual space. They added that the garden sectioned by structures and covered with climbers, gave various choices of planting to suit conditions, and the choice of plants gave a variety of colour throughout the year.

Buzz goes to 3D and beyond...

WOODY, Buzz and all the gang will return in 3D for the much-anticipated third instalment of ***Toy Story*** (U).

Eleven years since Toy Story 2, Andy is now 17-years-old and preparing to move to college. Unable to leave him behind, Andy packs favourite toy Woody to come with him. He piles the others into a bag to store in the attic, but Andy's mum mistakes the bag for rubbish and leaves in out on the pavement.

Feeling unwanted, the toys sneak into a box destined for Sunnyside Daycare but it's down to Woody to convince the toys to return home, knowing that Andy never wanted to get rid of them.

The toys don't believe Woody and decide to stay at the daycare, but they soon find out that Sunnyside isn't so sunny after all and an exciting escape adventure begins…

Released in 2D and 3D on Monday, July 19th

LIVING DOLLS | Woody and Buzz return with their plastic pals in Pixar's third Toy Story

SCI-FI thriller ***Inception*** (12A) stars Leonardo DiCaprio as Dom Cobb – also known as the Extractor, who has a specialised skill of stealing valuable secrets from deep within the subconscious during dreams.

His skills have made him a top corporate spy but also an international fugitive. Dom has lost everything he ever loved but is offered a chance at redemption through one last impossible job – inception.

Instead of stealing people's thoughts he has to plant one. It's the perfect crime but brings more danger than expected.

TOP PSYCHIC MEDIUM IN DORCHESTER

AN evening with Dan Clarke is an opportunity to give the residents of Dorchester and surrounding areas the chance to experience a completely different evening out.

Whether you are looking for a message from someone, you are interested in paranormal/psychic events, or you are a sceptic who needs to be proven these things are real, this evening is for you!

Dan was born and raised in Poole, Dorset, and comes from a long line of psychics and mediums through his Romany background.

Dan has been in contact with spirits from a very young age, and although through his early years he felt that the gift may be more of a curse, he now dedicates his life to bringing messages from the spirit world back to us.

Dan is also a Reiki Master, Empathic Healer, Crystal Healer, Animal Healer, and deals in Past Life Regression.

Although Dan may not be able to connect with everyone who attends on the night, there will be an opportunity for guests to speak directly with him, and if required book personal meetings with Dan.

The event is being run by Blandford based event management company, TDN Events, whose past events include the highly successful 'Pink Ball' in aid of breast cancer research through the UK's leading cancer charity, Cancer Research UK, which is now approaching its 4th year.

Dan appeared in Blandford at the beginning of June and amazed all 180 guests by his astonishing ability to pin point exact locations, and minute details of people's lives and history. Many guests from the previous evening have already rebooked to see Dan Clarke again in Dorchester.

Dan Clarke is in Dorchester for one night only on July 30th, so please book early to avoid disappointment. Tickets are priced at £21 each. For tickets or further info please contact Tara on 01258 454133, 07795 844244, or email enquiries@tdnevents.com.

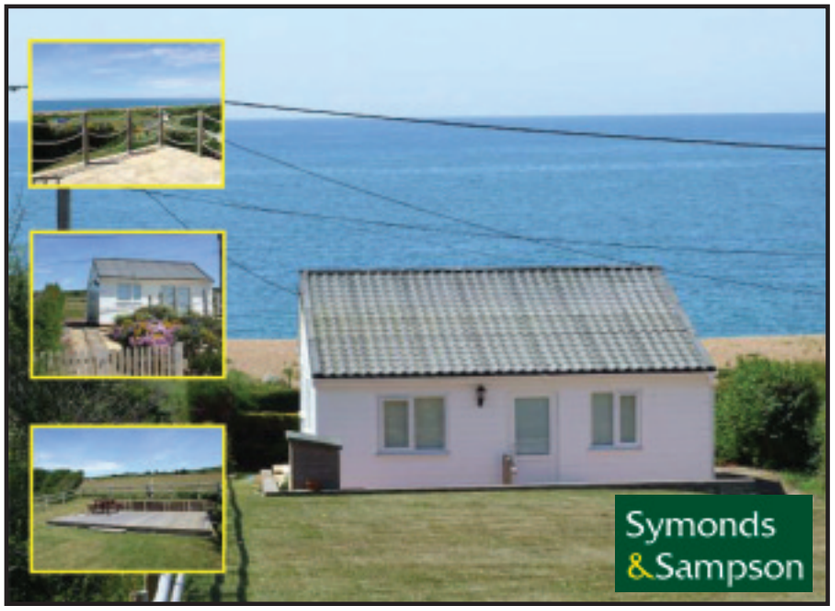
Much improved three bedroom detached chalet



A rare opportunity to acquire a much improved 3 bedroom detached chalet for Offers in excess of £300,000. It's built with uPVC elevations under a pitched roof.

The bright and well proportioned accommodation offers the luxury of a fitted kitchen and open plan reception area with most openings enjoying either a stunning sea view or rural outlook . Other benefits include approximately 1/3rd acre site which provides ample parking whilst forming part of the Jurassic Coastline and adjoins National Trust land. The current owners have landscaped the gardens to incorporate a paved patio and additional timber decked area, both providing spectacular sea views.

The gardens lie to both front and rear, adjoining the beach to the front and the National Trust land to the rear. In total, we believe the site extends to approximately1/3rd acre and provides stunning rural and sea views.

For more information please call Symonds and Sampson Bridport office on 01308 422092.

PROPERTY MARKET UPDATE

What a strange year it has been so far! The country held its breath running up to the election and things in the property market became very slow. Once the new government was installed and began making headlines, things started to move again – especially after the suspension of HIPs. We then had a frantic period of property flooding onto the market and much of that property if priced right and in good locations, has gone under offer. However, the rush to get on the market has slowed down again and many buyers are still looking for their dream home. Most of our buyers at the moment are looking for that perfect property to live in for many years to come and therefore, it has to be right. We have found that property in the right location especially period property (as usual) is selling quickly. So, we now require more character property in East Devon and West Dorset. Condition is not important as long as the other elements are good – reasonable sized garden, good location, character features. If you own such a property and are thinking of selling, please give us a call on 01297 553768 or 01460 30888

Peugeot reveals details of the new Peugeot 508 to be launched in 2011

THE Peugeot 508 introduces the Marque's new design look which has evolved from the stylistic codes first unveiled on the SR1 Concept Car.

Combining both a stylish and strong design with cutting-edge technology; quality, purity and efficiency have been the watchwords that have guided the Peugeot designers and engineers during the creation of the 508.

The stylish exterior design is elegant and timeless and full of 'French chic', equally at home in Paris or London. The interior of the car combines hi-tech with the use of high quality materials and every detail has been chosen to offer indisputable perceived quality, both visually and to the touch. An exceptional interior space, a very generous boot, and a level of standard specification provide interior comfort and convenience of a very high level.

In line with Peugeot's strategy to produce vehicles that emit low levels of CO2 and optimise fuel efficiency, the 508 has been designed to optimise the performance of its engines, enhance environmental efficiency, reduce weight and improve aerodynamics, matched at all times to a broad range of highly efficient engines.

The Peugeot 508 will be powered by a range of engines all well positioned in their categories in terms of performance and driveability, but also fuel consumption and CO2 emissions. All engines will benefit from the latest engine technology including Peugeot's new e-HDi stop and start system. This is the first of the new generation of stop and start systems which offers improved driveability and economy enhancements of up to 15%.

After launch, Peugeot's HYbrid4 technology will become available on the 508 and will provide 200bhp performance with all-wheel drive and emissions of 99g/km of CO2 or zero in electric mode.

The Peugeot 508 will be available in two body styles: a Saloon (with a length of 4.79 m) and a SW (4.81 m). Both models will be revealed to the public in October at the Paris Motor Show, and will go on sale at the beginning of 2011.

Utilising the PSA Group's platform 3, the 508 will be produced in Rennes in France, for the European market and in 2011 in China, for the Chinese market.

Ford grows retail business in June – caps rental sales

FORD maintained its leadership of the UK vehicle market for the year to the end of June, at the same time as it announced a new pricing strategy across its passenger car range.

Ford Fiesta and Ford Focus are the clear UK best sellers for 2010, in first and second positions, respectively. Ford Fiesta sales totalled 57,508 in the first half of 2010 while Ford Focus sales were 48,314. Ford Fiesta is the firm favourite with retail customers with a total of 31,654 retail sales for the year to date.

During June, according to official figures released today by the Society of Motor Manufacturers and Traders, Ford was a clear leader in retail car sales, with 10,337 registrations, and in commercial vehicles with 5,447 sales. To maintain the integrity of its business, Ford consciously capped less profitable short-cycle rental business during June, which reduced fleet sales for the month and placed Ford second in terms of overall car sales with 23,716 registrations.

The announcement of a new pricing regime for Ford passenger cars on July 1, which makes the value of Ford cars much more obvious, has resonated well with private customers.

Ford is reducing the official recommended list prices on its medium and small cars from August 2. This follows similar action on Ford's large car range in April. Ahead of the August price changes, dealers will be offering special promotions which mirror the coming lower prices.

Nigel Sharp, managing director Ford of Britain, said: "In June we took an early decision to cap the volume of short-cycle rental business in order to protect the residual values of vehicles bought by fleet and retail customers. The appeal of our best ever vehicle range is reflected in rising retail sales, boosted by our new pricing strategy, which is leading the market in making the whole purchase process more transparent."

Hyundai's i20 gets plenty of improvements

THE Hyundai i20 is getting blue on the inside and greener under the bonnet.

Minor changes to the aerodynamics and engine have resulted in a boost in fuel efficiency for all engines, while the interior is now more stylish and better equipped.

The best-selling 1.2-litre petrol engine, already one of the most efficient in the class, drops its emissions by 5g/km to 119g/km. This results in a tax disc costing just £30 and company car tax benefit-in-kind rates of just 10%.

Buyers wanting the extra power of the 1.4-litre version will see even greater savings, with the Style models dropping by 13g/km to just 129g/km. This results in a drop of two Vehicle Excise Duty bands and a 4.3mpg improvement.

The two diesel engines also see significant savings, with the 75PS model dropping by 6g/km to just 110g/km. The 90PS version gains a six-speed gearbox which helps it achieve a 7.2% improvement in fuel economy.

These improvements have been made possible by adding a small spoiler to the underneath of the car to improve airflow around the wheels, fitting an Eco Drive indicator in the instrument panel to suggest the best point to change gear, using low friction engine oil and an alternator management system.

Inside, there are two blue additions. Firstly, the dashboard and instrument illumination is now blue rather than red, bringing the i20 into line with larger Hyundai models.

Secondly, Bluetooth phone connectivity with voice recognition is now added as standard on all models except the entry-level Classic.

The new i20 is available to order now, with prices starting at £9,520. All i20s are covered by a manufacturer-backed, unlimited mileage Five Year Warranty and are equipped with ESP and air conditioning as standard.

Official Government Test Environmental Data - Fuel Consumption Figures mpg (litres/100km): Vauxhall Range: urban 16.6 (17.0) - 61.4 (4.6), extra-urban 32.8 (8.6) - 88.3 (3.2), combined 24.2 (11.7) - 76.3 (3.7), CO_2 Emissions 274 - 98 g/km.

The Vauxhall Swappage Scheme applies to customers trading in a qualifying car or commercial vehicle (up to 3.5 tonnes) against the purchase of selected new Vauxhall models when ordered or registered between 08.04.10 and 06.07.10. At the date of the new vehicle order, the vehicle traded in must be 7 years old or older from date of first registration in the UK. To qualify for the scheme, the owner of the trade vehicle (or their spouse/partner living at the same UK address) must be named as the registered keeper and resident at the UK address shown on the Vehicle Registration Document (V5C) and have owned the vehicle for a minimum of 90 days. The new vehicle must be registered at the same address. The vehicle must have a valid MOT and road tax (or that has expired no earlier than 14 days prior to the new vehicle order date) and be insured at the date of the new vehicle order. The Vauxhall Swappage Scheme cannot be used in conjunction with any other offer. All Swappage discounts are inclusive of VAT. Offers available to private customers, Vauxhall Partners and small businesses 1-24 (purchase only), on selected Retailer stocks at participating Retailers only. (VauxWe763)

Check your tyres before you make tracks this summer

AS THE school holiday period approaches millions of motorists will be planning to set off on a motoring holiday and choosing the UK as a destination this summer because of the strength of the Euro and the possible volcano dust cloud which, according to experts, could still interrupt travel plans in the coming months.

According to recent independent research nine in ten drivers are now taking direct action to reduce their fuel consumption. It is not generally recognised but checking and adjusting tyre pressures, says Protyre, can help not only to reduce fuel consumption but will help reduce CO2 emissions.

Protyre, the UK's leading independent tyre distribution network, is offering motorists a free five-point tyre safety check at each of its 49 retail outlets in the UK. If, however, you can't get to a Protyre centre, the company offers the following advice to stay safe and legal on the road this summer:

1. Check and adjust tyre pressures as recommended in the vehicle handbook.

Why?Correctly inflated tyres not only reduce stopping distances and increase levels of grip, but also improve fuel consumption and reduce CO2 emissions

2. Tread depth. EU law requires a minimum of 1.6 mm of tread across three quarters of the width of the tyre. Although Protyre recommends that drivers should consider changing tyre at between 2.5mm and 3mm.

Why? Insufficient tread depth greatly increases stopping distances particularly in the wet. The penalty for having an illegal tyre could mean a £2,500 fine and three penalty points on a driver's licence.

3. Check for uneven tyre wear to ensure wheel alignment and balance are correct.

Why?Misaligned or unbalanced tyres can accelerate uneven wear leading to premature replacement and vibrations through the steering.

4. Check for general tyre condition. Remove stones and other objects from tyre tread and clean dirt from around the valve and ensure valve caps are fitted.

Why?Foreign objects stuck in the tread can affect the barking and handling of a vehicle. Valve caps are designed to protect the valve from damage and prevent air loss.

5. Check for tyre age. Tyres more than 8/10 years old should be replaced.

Why?Tyres of that age are more susceptible to punctures and are less flexible than new tyres and should be replaced even if they appear to have adequate tread depth.

Find your local Protyre outlet visit www.Protyre.co.uk. Or call in to your local Protyre centre for a free tyre safety check.

Consumers can help reduce road deaths

CONSUMERS need to know more about the latest technology, to help continue the decline in casualties on Britain's roads, says RoadSafe.

Director, Adrian Walsh, says, "The Department of Transport's recent announcement of a 12% reduction in road deaths is good news. It shows all the hard work is paying off.

"But there is still a need to focus on road safety and the benefits that technology can afford, particularly for consumers."

RoadSafe believes improved electronic safety technology, found in newer vehicles, has helped reduce the severity of crashes. However, there is evidence to suggest the majority of car owners are unaware of the latest systems.

This evidence raises concerns that consumers may not be prepared to make informed choices about safety when buying a new or second hand vehicle.

ESC is one example. It helps stop a vehicle skidding and has been on the market for more than 10 years.

Research from the Insurance Institute for Highway Safety, shows it can reduce collisions by more than 40%, but eSafetyAware has found less than 40% of the UK's car buying population is aware of it.

The motor industry has led the way in developing ESC. It is now available in almost half of all new vehicles and, following legislation, it will be mandatory in all new vehicles by 2014.

Adrian Walsh continues, "The market is led by consumers, and uptake of this technology has been slow.

"People must be better informed of other eSafety technologies, so they can demand them when buying a vehicle.

"This is an important issue, in which car magazine editors and dealers can help, in saving lives."

SIR JOHN COLFOX SCHOOL SPORTS

Successful sporting year

THE Sir John Colfox School celebrated its continued reputation as one of the most successful sporting schools in Dorset at their annual Sports Presentation Evening last Thursday.

Once again the achievements of the winners not only reflected the very high standards that some had achieved but also the diversity of sports that some of them have participated.

Three of the athletes were unable to attend the presentation because they were taking part in the English Schools National Championships at the Alexander Stadium , Birmingham on Friday.

Sprinter Holly Butt is rated in the top 15 in the country and siblings Megan and Alistair Tuck are among the country's top 20 field athletes in their discipline; Megan will captain and lead the Dorset team into the stadium.

Besides the presentation of awards there was a chance to reflect of The Rock Challenge which the school took part in earlier this term, and a video record of the past sporting year.

The evening was well supported by pupils and their families together with staff and governors of the school.

Hitchcock and Fryer both hit six

WEST Dorset Warriors swimmers Aaron Fryer and Charlie Hitchcock both won six gold medals at the recent Dorset ASA Development meet held at Littledown Leisure Centre in Bournemouth where after two days of competition the 57 Warrior swimmers finished second to Christchurch Seagulls.

Fryer again showed his pedigree in the 13 years level, winning the 200m Butterfly in a new competition best time, whilst simultaneously earning him most improved male performance at the meet by knocking 42 seconds off his personal best. Aaron also won the 400m freestyle, 50m breaststroke and 50m backstroke in new competition best times, and with a further two wins took his total tally to six gold medals.

Hitchcock, in the 11 yr boys, showed his dominance over the sprints with wins in the 50m and 100m for both the freestyle and breaststroke, 50m Butterfly and 100m Individual Medley, also winning him six gold medals over a busy weekend. Charlie also beat the previous competition best time in the 200m Breaststroke, only to be beaten into second place.

Liv Thornton, girls club vice captain, fresh from completing her GCSE's won five gold medals in the 16-18 yr old group, including new competition best times in the 100m and 200m breaststroke and 400m freestyle. Jess Northcote also swam faster than the previous competition best time in the 50m Backstroke, in the same age group, to gain a silver medal and went one better in the 100m freestyle to win gold.

In the younger age groups, swimming at the development meet for the first time, Millie Kelman-Johns improved on her personal best by over 8 seconds to win the 10 yr old girls 100m breaststroke having earlier reduced her 200m breaststroke best time by 18 seconds. Meanwhile in the 10 yr old boys James McKendry showed his strength to win gold in the 200m breaststroke, improving his personal best time by nearly 12 seconds and backed up his win with a second place in the 100m breaststroke. Louise Woodrow achieved one of the club's more noticeable improved performances by reducing her personal best time by over 24 seconds in the 200m freestyle.

The competition between West Dorset Warriors in the girl's 11yr old age group continues to entertain with Amber Cornick winning the 100m backstroke and 200m freestyle and Beth Guy victorious in the 200m backstroke, 200m individual medley and 100m breaststroke. Beth also improved her 100m individual medley personal best by nearly 10 seconds. Beth Ohnstad swam exceptionally well to improve her personal best time by nearly 19 seconds in the 100m breaststroke.

For the 12 yr old girls Lucie Fry won the 50m butterfly in a new competition best time and Charlotte Mathews gained gold in the 400m freestyle. Amie Buttle and Olivia Freeman led the way for the 13 yr old girls, both winning two gold's; 200m backstroke and 400m freestyle for Amie and 100m freestyle and 200m butterfly for Olivia. Charlotte Fairman in the 14 yr old girls won the 200m backstroke, improving her personal best time in the process.

Peter Horne gained a brace of new competition best times for the 14 yr old boys in the 50m backstroke and 50m butterfly, with Luke Voss winning the 50m freestyle in the same age group. Whilst in the 15 yr old boys Guy Buttle was rewarded with a win in the 100m backstroke.

After a heavy competition over two days, at the end of each day, the eight fastest boys and eight fastest girls across the age groups are selected to race against each other in an elimination group called skins. West Dorset Warriors were proud to have Guy Buttle, Peter Horne, Tom Cooper and Aaron Fryer swimming backstroke skins on the Saturday, and Luke Voss and Jess Northcote swimming in the freestyle skins on the Sunday.

Presentations of BAGCAT awards were made at the weekend to the top eight boys and girls of each age group following the Dorset County Championships earlier in the year. Victoria Halford and Amie Buttle received BAGCAT awards for the girls, with William Blackledge and Peter Thornton winning their awards for the boys section.

Shipton Gorge club mourns President

OBITUARY – JOHN FENTON

IT was with sadness that the Shipton Gorge Table Tennis Club learnt of the passing of their Honorary President John Fenton who died on Friday, June 18th in Dorchester Hospital of pneumonia.

John, who we think was 75, worked for some years in the pathology department of Guys Hospital and he donated his body to medical science. His body is now at Guys Hospital and there are no funeral arrangements or, as far as we know, any plans for a remembrance ceremony.

His two daughters live in Devon and Australia and sadly we know little of his early life or career.

John lived in Bothenhampton after moving from Reading where he was a very active table tennis player and administrator. His competitive table tennis was well behind him when he arrived on the local scene but he soon became well known to players and clubs in the area and helped with coaching, particularly of beginners and late starters!

He was very supportive of our new club and became our first chairman in 2008, and in 2009 he was unanimously appointed our first Honorary President. Despite his health failing he still came to Thursday afternoon club sessions to within a month of his final illness.

We know John was also a golfer, a tennis coach and a very keen photographer, specialising in black and white and producing particularly good shots of our village church.

He will be sadly missed by his many friends.

SPINNER ADDED TO SQUAD

DORSET County Cricket Club manager Sean Walbridge has made one change to his table-topping squad for this weekend's Minor Counties Championship visit of Herefordshire to Dean Park.

Nineteen year old left-arm spinner Jack Leach who plays for Taunton Deane CC and Somerset 2nds has been brought in to replace Raj Naik.

Walbridge commented: " We feel that by bringing in Jack (Leach) it gives the side better balance. Having a left-armer should compliment Tom Hicks and Glyn Treagus. That's not a slight against Raj (Niak) who has performed well this season.

Dorset head the Minor Counties Championship (West) table after inflicting a first defeat in four years on defending champions Cheshire at Bournemouth earlier this month.

On paper, with Herefordshaire languishing near the foot of the table, Dorset are favourites. But the hosts will be aware that both skipper Chris Boroughs and Dan Bassett cracked fine centuries in the visitors first win of the season down in Devon two weeks ago.

Full squad: Josh Lawrence, Nick Park, Aaron Williams, Glyn Treagus, Darren Cowley, Tom Hicks (captain), Chris Park (wk), Matt metcalfe, Ed Denham, Jack Leach, Mitch Wilson, 12th man: Eric Linge. Scorer: Chris Drew.

Glyn said: "I would like to thank our webmaster Kate Berry and Wyke Web Design for their hard work which helped us to gain this award."

The Seasiders also received the South West Seal of Approval Club of the Year award from Clive Drake at the same ceremony.

Recovering Lock secures Seniors Championship

CONGRATULATIONS go to David Lock for winning the SWCGA Seniors Championship on a hilly Lanhydrock course.

David was not planning to play as he was recovering from a knee injury but the hero he is standing in at the last minute for John Nash who was taken ill at the Kent match and is still recovering.

David had a steady 74 on the first day and a real shaky start to his second but all he was interested in was ensuring he kept a respectable card for the team competition.

WINNERS | Julia Coote (left) and the Mendip GC team pictured with Jane Dixon after winning the Ladies Open Competition last week.

His 71 and 145 total was enough to tie the lead with Gloucestershire's David Potter who scored a 71 & 74. so it was down to a play off and on the first a great sand save was enough to give David the title. As can be seen in the photo, where he is receiving his well earned trophy, David was still in total shock at his achievement.

The Dorset team will be going to this year's EGU Seniors County finals at on the home course of Ferndown.

Every player in the Dorset side broke 80 in both rounds, the only team to do so and this ensured the team won through with a very good 736 total six shots clear of their nearest rivals Gloucestershire who had 742.

The sound performance from all ensured the team picked up the coveted prize and Dorset will of course do their utmost in representing the SW Counties at the National final again.

LYME REGIS LADIES *with Ellie Langford*

THE Ladies Open, a Progressive Bowmaker, was a great success with the event being fully subscribed. There were a few anxious moments when the fog began to roll in and threaten to force a cancellation of the competition, but luck was with us and all it did was waft in and out and all the competitors finished and with the dry conditions there were some good results.

RELEGATION THREATENS MENS CHAMPIONSHIP SIDE

THERE were mixed results in the league this week again, with the ladies coming out in front *writes Paul Moffitt*.

Lyme A managed a very creditable 10 points against Bridport A and the B team six points against Sherborne A despite losing on two rinks.

The Championship side are beginning to lose their way with only three points away to bottom placed West Moors.

They need to secure better than half the remaining points if they wish to stay clear of relegation.

The men fared better in the Dorset Cup when beating Wimborne by 77-66. Both home teams won whilst the two teams playing away just went down by the odd point over the two rinks.

The ladies again took control over their opposition from Gillingham in Division Two with a very fine 10 point haul.

This now leaves them with a buffer at the top of the league and I am sure with a concerted effort they deserve to be in Division One next season.

This Sunday saw Lyme Regis Club play hosts to the Dorset Men's Pairs quarter and semi finals.

Anyone who found the time to go and watch this event was treated to some exceptional bowling, with last year's National Pairs champions, Martin Pavey & Jamie Lockwood, being dumped out in the quarter finals.

The Percy Baker and Edna Paisley league's continue to offer good pickings for the Lyme guys & gals, at least one of the mens teams looking set for the play offs.

. This was Lauren's first attempt at an open water event and she was apprehensive about swimming through choppy waters on a cold, windy day.

She need not have worried though as she was the first female swimmer from Somerset to complete the event in a time of 26:26, enabling her to grasp the first position for her respective age group (13-14 years.) Overall, she was the third female in all age groups to finish.

SIX-UP DORCHESTER TAKE TOP SPOT

DORSET FUNERAL PLAN LEAGUE

Premier League
Broadstone 144 all out
lost to Dorchester146-3 by 7 wickets

A SIXTH win on the trot saw Dorchester take over top spot in the Premier league and put them on course for a second title win in three years.

Previously unbeaten Poole Town were beaten by Parley, who themselves had been undefeated until two successive losses prior to Saturday, which has allowed Dorchester the chance to steam past both to snatch top spot.

Some superb bowling by Phil Morley (4-32) and a good all round performance by Rob Waite saw the county town cruise past Broadstone with seven wickets in hand and almost 24 overs to spare.

AMONGST THE WICKETS | Phil Morley took 4 for 32.

Broadstone elected to bat but were soon in trouble. Morley bowled Thomas for a duck, and after Andy Mead (1-21) accounted for Hanratty (9), Morley then sent back Jones (6) and Wallis (0) to leave them 36-4. Chapman (18) became his fourth victim before Joe Power (3-30) got in on the act having Trembath (11) caught by Waite as things looked bad for Broadstone on 76-6.

However Ryan Wiltshire (28) and Greg Parsons (28) added 46 for the eight wicket before the former became Paul Tweddle's third catch of the innings, this time off Waite (2-25), and the hosts were finally dismissed for 144 all out.

Dorchester lost both Pete Moxom (8) and Dave Maslen (9) to Holm (2-24) with just 25 on the board, but Tweddle joined Waite as they added 78 for the third wicket.

When Waite went for 43, skipper Martyn Richards (21 not out) and Tweddle (46 not out) comfortably saw Dorchester home.

The visitors made light of their target however with skipper Colin Randall (40) and Andy Hayward (54) putting on a stand of 108 for the first wicket. Although Michael Pearce finally removed them both when he came on

Weymouth 249 all out lost
to Wimborne & Colehill 252-6 by 4 wickets

WEYMOUTH missed the chance to pull themselves to midtable safety by losing to strugglers Wimborne & Colehill.

Put into bat, the Seasiders failed to set a good enough target, and had to rely on bowler Andrew Falloon to boost their total. The Kiwi hit 74 not out as Weymouth's top order got started but failed to go on to make a big score.

Weymouth lost skipper Paul Payne (8) with the score on 16 but Jim Ryall (30) and John Armfield (28) continue to push the score along. Kieron Womble (16) and reinstated Dean Janaway (35) added their contributions but it was Falloon that bolstered the total to a respectable target.

The visitors made light of the reply with skipper Colin Randall (40) and Andy Hayward (54) putting on 108 for the first wicket, before Michael Pearce removed both in quick succession.

However Graham Cole (33) and David Guest (59) added to Weymouth's agony as they added 91 for the third wicket before Cole was brilliantly caught by Payne as Pearce struck again. He also dismissed Guest to give him four wickets in the match, but Wimborne comfortably reached their target.

Division One
Beaminster 232-7 lost to
Sherborne 304-7 by 72 runs

A STRONG Sherborne batting line-up and a mid order collapse in reply meant Beaminster had no option to play for batting points and improve their technique and confidence for the run-in. Rooted at the bottom they need to pick up as many batting and bowling points as possible if they do not win.

Captain Ross Baker said: "They have a very strong batting line-up and unless you get off to a flyer in reply to a total like theirs it was always going to be difficult. In the end we had to settle for batting out overs out, picking up points and improving our confidence for the remaining games."

Baker inserted the visitors on a good wicket with lightning fast outfield, and although good bowling from Andy Sherring (1-54) and Simon Jones (1-36) put Sherborne's openers under pressure, Dorset player Josh Lawrence scored a quick 31 before he was well caught by Nick David off the former.

However although Baker (2-79) removed L Hancock (31) and Paul Martin (1-58) dismissed Griffiths (10), it was M Lock and Richard Carter (55) who built the Sherborne total. They added 70 for the fourth wicket with Lock ending just two runs short of his century as they closed on 304-7 off their 50 overs.

Richard Runyard (17) and Chris Park (17) made a solid start in reply but the dismissal of David (12) to tame shot and Joe Hawkins for a duck, saw Beaminster slip to 73-4.

However Jones and Dan Hillier, who have been out of form recently dug in and added 99 for the fifth wicket before Hillier was lbw to Lawrence for a watchful 35.

With Sherborne's bowlers much more economical than Beaminster, they fell behind the clock, and so patient batting from Jones who was eventually out for an excellent 73, and Baker with a steady 27 not out guided them past 200 and maximum batting points. They finished on 232-7 but with eight points.

Baker was pleased with his sides performance considering the situation."We didn't bowl too badly, they were just a very strong outfit, and it was nice to Simon (Jones) back in form with the bat.

GRITTY INNINGS | Simon Jones

He played some lovely shots and showed last week that he is getting back to form, and this would have done wonders for his confidence. Dan Hillier has also been out of sorts but he played a very watchful innings.

"It was pleasing that we batted out our overs. We are starting to appreciate our wickets now; we were a bit naive at the beginning of the season and gave them away. However we need every point we can so we need to be patient and that appears to be happening at last."

Bournemouth 198-7 beat
Weymouth 2nd 197 all out by 3 wickets

WEYMOUTH found second placed Bournemouth too strong for them, and although they went close skipper John Ryan admitted they were the better side.

Having restricted Weymouth to 197 all out, Bournemouth took the game away from them in the opening overs to win by three wickets.

"They juggled their batting around, promoting two lads that needed to be away early, and one of them Hurley threw his bat at everything to the point that I had to bring Dave Trotter (1-47) and Neil Walton (1-40) off after five overs and put on the spin of Faraz Ulhaq and myself."

It did the trick with Ulhaq (2-41) getting Hurley (37) first ball, and Ryan (1-27) doing likewise in a wicket maiden trapping Collings (7).

However the damage had been done and with the help of Anderson (30), Iles (88 not out) steadily took Bournemouth to victory. Skipper Coombs, normally an opener hit a quickfire 22 at number eight, as they cruised home with almost 15 overs to spare.

Having been asked to bat, Weymouth lost Luke Carrington (0) and James Almond (13) with 17 on the board, but Andy Bray (25) and Sean Fitzgerald (19) brought them back into the game. However when they both fell to Trellis and Simon Mitchem (6) had departed, Weymouth were in trouble at 73-5.

A sixth-wicket stand of 67 between Trotter (39) and Ulhaq (33) once again lifted Weymouth and although Mote (15) and Walton (12 not out) got into double figures, their total of 197 was never going to be enough.

"It was a good wicket and we really should have got 250 which would have been a reasonable ask, but although several made starts, no one went on for a big score," said Ryan who gave Bournemouth credit for their all round game. They were, young, mobile in the field and as their second place suggests, a good side."

Division Two
Dorchester 2nd 145 all out lost to
Hamworthy Recreation 294-7 by 139 runs

DORCHESTER 2nds found table toppers Hamworthy Recreation too strong for them and meekly surrendered by 139 runs.

"They have a very strong batting line-up and everyone contributed a decent score. We didn't make much of a fight of it unfortunately with three of our top five out for ducks," said captain Ian Sibley, who on winning the toss decided to field first.

Hamworthy captain Clapp top scored with 70 plus, whilst Steve Budd was Dorchester's best bowler with 4-58 whilst Sibley also commended John Legg who took 1-40 off his seven overs.

Legg was also one of only two who made decent scores. He made 32 with Stuart Voss contributing 38 to a below par total of 145 all out.

Division Three
Bridport 133 all out lost
to Portland RT 185 all out by 52 runs

INEXPERIENCE was probably the cause of Bridport's defeat to fellow basement strugglers Portland RT, and despite a scintillating display by Ashley Nicholls with both bat and ball, Bridport really need good fortune over the rest of the season to avoid being relegated three seasons in a row.

Batting first the Islanders have to thank Barrett for their modest score of 185 which would have been considerably less had Bridport not got slack lost concentration midway through the innings. Tight bowling and good fielding had restricted the visitors in the first 35 overs with Barrett very subdued and almost snail like.

"It was as if the lads just switched off for a while and Barrett to bat freely and started hitting out," said captain Mark Smith. "I had hoped to have restricted them to 140-150, but at 160-6 they looked to go beyond the 200 mark."

That is until Nicholls returned to the attack to demolish the Portland tail to finish with 6-47 off his twelve overs. He was well backed up by Dom Gape (3-27 off nine).

Smith was still positive about their chances even though Bridport got off to a terrible start with Liam Toohill (10), Smith (4) and last week's batting hero Gape who went for a duck, all back in the pavilion.

However Nicholls, promoted to three, and Mark Tozer, another who has been scoring freely at the crease recently, took the score from 18-3 to 101 before Tozer (27) was caught going for a big one, and the batting collapsed began.

Nicholls fought on hitting a massive six, before he was out going for another big one for an excellent 62.

Only Dave Backhouse can feel unlucky with a ball that reared up and gave a catch behind, as the rest capitulated to a series of poor strokes as Bridport were all out for 133 with plenty of overs to spare.

"I must say it is not like them to give their wickets away so cheaply, but maybe it was inexperience. I am gutted to have lost to the side immediately above us. Ashley performed brilliantly with the ball and batted patiently.

"We may have to change our tactics. We used to be good at chasing, but I think we need to set the pace. We need to win five of our last seven to give our selves a reasonable chance of survival."

Martinstown 107-7 beat
Cattistock 104 all out by 3 wickets

FOLLOWING successive defeats, Martinstown got back to winning ways in a low scoring match against Cattistock.

Division Four
Poole Town 3rds 207-6 beat Beaminster 2nds 171 all out by four runs (revised target)

POOLE won the toss and chose to bat first and made steady progress throughout their innings. The pick of the Beaminster bowlers were; Ade Phillips (3 for 48), Murray Legg (1 for 17), and Chris Rowsell (1 for 26). Poole eventually reached 207 for 6 from their 45 overs.

There was a 30 minute delay during the innings due to a Poole batsmen dislocating his knee. The delay meant the visitors had a revised target of 175 from 38 overs to win.

After being reduced to 19 for 2, Phillips (33) and Rowsell (18) produced a 50 partnership.

The loss of Rowsell brought Adam Herring to the crease. Herring proceded to smack 10 fours in a very controlled innings, he eventually fell for 51 and gave his team every chance of victory.

Unfortunately the tail failed to wag and Beaminster were finally bowled out for 171 in the final over, four runs short of victory.

Division Five
Weymouth 3rd beat Broadstone 4th
no result (Broadstone scratched)

WEYMOUTH picked up an easy 20 points to stay top of Division Five when Broadstone 4ths scratched on Saturday morning.

Division Six
Abbotsbury 150-6 lost to
Christchurch 2nd 213 all out by 73 runs

ABBOTSBURY came up against a strong Christchurch side and were well beaten.

The table-topping visitors elected to bat first on winning the toss, and soon put together some good stands; the major contribution coming from Breddy with 67.

The introduction of Ashley Cannon, returning to the side after a five year absence was soon successful as he took a wicket with only his second ball on the way to an excellent return of 4-49.

Some good scoring at the end from Thompson (26) and Spicer (20) allowed Christchurch to set a challenging total before Straker (-51) and Pretty (3-39) wrapped up the tail.

Some tight bowling and excellent catching and fielding kept the visitors well on top of the Abbotsbury batsmen and though Nick Kneebone (22), Pretty (29) and Gary Pittman (33) all contributed useful runs, the Swans were always well behind the required strike rate.

A couple of useful blows from Beesley (14 not out) however enabled them to reach the fourth batting point.

The general feeling from the Abbotsbury dressing room after the game was that they were simply much better than them on the day.

Blandford 3rd 149 all out lost
to Bridport 2nd 153-5 by 5 wickets

BRIDPORT 2nds eased their relegation worries a little with five wicket win over Bladford 3rd's.

New captain Jamie Dollman won the toss and decided to field and thought they had made an early breakthrough when it appeared Savage was caught behind when on seven. However the appeal was not upheld and Savage (22) and opening partner Craig (15) put on 40 for the first wicket.

The Bridport bowlers, led by Rodney Gay (4-37) and supported by Robin Jones (3-18) and Pete Bustin (2-26), persevered however and took wickets at regular intervals. Only Newton (25) showed any resistance as they slumped to 122-9 before a quickfire 21 not out from Martin made the tail wag.

Bridport lost Duane Gay (4) early on but Dean Sweet hung around for 20 overs in making four whilst Toby Hall blasted an almost electric 49 by comparison.

Will Gape guided Bridport home with a fine 55 not out, sharing a fourth wicket stand of 60 with Chris Churchill (18) as he went.

Dollman who has seen his side win three of the four games he has been in charge said: "It was a good win and helped us enormously, However we conceded 26 extras, and that is something I want us to try and address for the future."

Dorchester 3rd 220-9 lost to
Sturminster Marshall 222-5 by 5 wickets

DORCHESTER 3rds drop to third following their home defeat by Sturminster Marshall who now move above them into second place.

Defeat is something the county town have not been used to, having suffered their first loss in two years earlier this season. However Sturminster Marshall have proved to be a tough side have only tasted defeat once themselves this campaign.

Despite Dorchester posting a reasonable target, the visitors took the match with five wickets to spare.

Sunday Division Four
Lychett Minster 277-8 beat
Symene 162 all out by 115 runs

SYMENE'S hopes of victory over strugglers Lychett Minster were thwarted by an opportune century from opener P Alloman. He survived a number of spilt chances to amass 110 of the host's total which also included an amazing 50 extras. Only G Easthorpe with 30 not out at the end got anywhere near the runs squandered by Symene.

Liam Toohill was the most successful Symene bowler with 3-48, whilst Colin Willcox (2-61) and Marcel Grunschloss (2-65) toiled through their maximum 12 over stints.

Willcox gave Symene a bright start with 27 but only Graham Bartlett (39) was in any kind helpful early on, and it took a last wicket stand of 56 between John Ellis with a resilient 39, and Nick Skyrme (12 not out) to get the visitors two extra batting points.

S Cockwell took 7-57 as Lychett ran out easy winners.

BLUES BACK IN TRAINING

BRIDPORT RFC senior players have started their pre-season training for what will be a tough season following their promotion to Southern Counties.

Coaching the squad again this season are coaches Paul Nimmin and Chris Burton, with Alan Stearck assisting with injury rehabilitation training.

During this month the main emphasis has been on fitness and basic skills with a little match training.

From the start of August they will focus more on the match training ready for a number of pre-season friendlies.

The first of these is an away match against Ivel Barbarians on August 21st followed a week later by an away match against Honiton. The squad then return for a home game against Chard on August 31st.

Numbers at training have been good for the time of year but there is always space for new players to join the squad and earn a place in the team. Training takes place on Tuesdays and Thursdays at the Brewery field commencing at 7pm. For further details contact Paul Nimmin on 07976 918 559.

The players will also be hoping to have the use of a couple of training sessions with the Socious Sports coaches who are down at Bridport for a week long coaching school for juniors players starting on Monday July 26th.

The coaches this year are Mthoko Jali a great South African coach and Tom Lawrence, a Kiwi who has coached with Socious Sports before. There are still a few places left and further details can be found on the Socious Sports website at www.socioussports.co.uk.

Quarter-final KO for Wildcats

NEWPORT HORNETS 53
WEYMOUTH WILDCATS 35
(agg 102-76)

IT WAS a tall order for Weymouth Weyline Wildcats to overcome their 41-49 first leg defeat in the KO Cup quarter-final in May, and so it proved at Queensway Meadows on Thursday when they were beaten 53-35 for an aggregate defeat of 102-76.

The Wildcats started with a second place for Byron Bekker in heat one, followed by top Cat on the night, Richard Andrews taking the win with Luke Chessell in second after ex-Wildcat James White-Williams was excluded and Tom Young retired from the race. Gary Gottham and Tom Brown filled the minor places in heat three keeping the slender three point lead intact. James Cockle won the only ride he finished in heat four, while Chessell packed in for second to put the Cats 8-15 up. Bekker won heat five with Cottham in third split by Hornets skipper Tony Atkin whilst another ex-Weymouth rider Tim Webster took a trip to hospital with a suspected broken collarbone injury.

Hornets Aussie pairing of Todd Kurtz and Mark Jones hit back with maximum points in heat six to cut the lead to 15-20. Another ex-Cat Kyle Newman took the flag while Cottham and Brown packed the lower places to keep the five point lead in heat seven. Jones supported by White-Williams brought the Hornets to within a single point of the Cats in heat eight, and when Tom Young popped in his first of two wins for the Hornets in heat nine with Andrews in second; just two finishers with Cockle disqualified and Aitkin retiring from the race, the scores were level at 26-26.

The Aussies again romped away for another 5-1 in heat 10 giving Newport the lead, Newman again took the flag in heat 11 with Bekker and Andrews packing in to share the points. The killer blow came in heat 12 for Weymouth; Young and White-Williams combined for a 5-1 over Andrews with Brown again disqualified from the race to lead 39-31. Bekker split Newman and Kurtz in heat 13, Chessell took a fall and the Cats were now ten down 43-33.

Hornets skipper Atkin with White-Williams stomped off to a 5-1 in heat 14 as did Newman and Kurtz in the last races to give victory on the night and overall to Newport 102-76 and passage into the semi-final stages

SUNSHINE AND SUCCESS

THIS year's Cresta Cup was won this year by Penny Hunt with a nett 73 and the Macmillan Cancer Care Spoon by Audrey Garnett with 34 points (writes Elaine Rockingham)

Our final two interclub matches were played this month. We had an excellent day at Ferndown and won 4-3, but our second match at the Dorset Golf and County Club was less successful as we lost 5 ½ – 1 ½ . However this was the only match lost in this season's games, so well done to our interclub team.

Our Beales team also had mixed results this month by losing 7-0 to a very strong team at Yeovil but then had a good win, 5-2 three days later against Ashley Wood.

We played our first Friendly against Windwhistle Club and won 3-1 and well done to the Parkin Cup team who have reached the semi finals by winning their match 2-1 against Dudsbury.

We finished the month with a win against Bournemouth & Meyrick Park 6-1.

Beehawk Heartbreak for Buckler

CULLAHILL'S good showing in finishing second in the Sis Live Handicap Chase at Newton Abbot last week was marred by the death of Beehawk in the same race who was running for the first time since joining the stable.

The 11-year-old who recently arrived from Kevin Bishop's establishment had a history of leg problems and was returning to racing having not run for a year following a tendon problem.

Unfortunately he was pulled up by jockey Will Kennedy after jumping two fences and had to be put down after it was found that he had severed a tendon.

"The prognosis was that whilst the tendon could have possibly been repaired, because of the previous scar tissue and damage, the amount of pain and suffering the horse would have had to go through over a long period to do no more than limp around a field at best. In the circumstances the owner decided he did not want the horse to suffer anymore," explained Buckler.

Cullahill however was running well having been fitted with a tongue tie to help prevent him choking, and Harry Skelton had him well placed. Having made a mistake at the first fence down the back straight last time around he had to work hard to get back in the mix and Buckler thought the extra distance and big weight were contributory factors in him not getting up to win.

"The mistake made him work harder and negated the tongue tie a bit as he choked over the last two fences. This caused him to put in a couple of short ones which ruined his chances.

"He will have a throat operation now to try and correct the problem, and if it is successful he will be a very nice horse."

Following Mrs Overall's poor run at Uttoxeter in the Come And Join Chasing Gold Racing Club Novices' Handicap Hurdle, she has now been sold on. Having been in touch at the start, she soon dropped out under pressure and was eventually pulled up.

"She tries and is genuine, but she doesn't have the speed to be a racehorse. Her debut was promising, but she had failed to improve and has now been sent to an eventing yard where I think she will prove to be useful."

Flag Flier found the ground too firm and failed to make an impression at Worcester last Wednesday, and although she finished she was shook up by the experience.

"Although the course had been watered, unfortunately under the surface the ground was too hard for her. In cases like that, horses who find the ground too hard, don't tend to plant their feet as they might on good ground and skip the hurdles, and as a consequence lost ground when they quickened. She was shook up at the finish, and won't run again until the ground is a little softer."

The summer is when trainers sort out their yards, moving horses on and bringing new ones in.

Besides Mrs Overall who has now left the yard, Buckler is sending Howlin At The Moon and Winter Warmer to the sales this week, and is in discussions with a number of owners at the possibility of bringing in new horses.

Close finish in first open boat festival

THERE was a close finish to West Bay Sea Angling Club's first Open Boat Festival of the year with Dave Smith's specimens of pout and cuckoo wrasse winning the day.

Twenty three competitors took part with the boats fishing out of West Bay.

Dave totalled 144% just ahead of Dave Cornick and Peter Grinter.

This year's golden fish (pulled out of the hat before the start) was pout which was won by Peter Grinter's with his 980g specimen.

With ideal conditions of blazing sunshine and a westerly breeze blowing, all but two of the competitors caught fish to weigh in which included: black bream, bass, poor cod, pout, dogfish, pollack, gurnard, wrasse, smoothound, scad and plaice.

Each angler was only allowed to bring one of each species to the scales as the competition is won by the person with the best two specimens of different spices.

None of the fish were wasted as those not required for the pot by the competitors were given away.

1st: Dave Smith 144% (pout 65% & cuckoo wrasse 79%)
2nd Dave Cornick 137% (dogfish 76% & cuckoo wrasse 61%)
3rd Peter Grinter 136% (pout 72% & dogfish 64%)
Best Flatfish: Garth Edwards plaice 550 g 27% (this was the only flatfish caught)
Best Round Fish: Dave Smith cuckoo wrasse 79%
Most Species: Graham Stephenson with six species (this was tied between competitors so the winner was decided by the total percentage. Graham's was 264%)
Golden Fish: Peter Grinter pout 980g

Secretary Tiny Daw thanked The George, West Bay for the use of their beer garden for the event and commented that he was extremely pleased by the turnout considering that England were playing Germany in the World Cup that day.

"I think the competitors were glad they chose to fish as they had a better result than the England football team!" he quipped.

WINNER | Dave Smith (left) is congratulated on his success by president Fred Bowditch (centre) and boat secretary James Barr.

BATTLING DRAWS FOR BOTH TEAMS

BY HOWARD LARCOMBE

UPLYME & LYME REGIS first XI dropped a place to seventh in the Devon Division D table despite securing 10-points from a battling display in Westerly Ipplepen.

The hosts batted first and half-centuries from DeFriend and Watkins went some way to 245 for 7 being posted.

Pick of the Uplyme bowlers were pacemen Ashley Caddy (3-38) and newcomer Steve Howells (3-84).

With the visitors missing regulars Steven and Mark Batey and being forced to field two effectively 'non-cricketers' the 246 total always looked a bridge too far.

In the end skipper Ashley Caddy was pleased with the 10-point haul from the drawn game as his side compiled 214 for 7 with Adam Caddy (79) continuing his fine form with the bat in striking his third half-century in five innings.

Caddy was accompanied by towering left-hander Tim Daniel (53 not out) who registered his first 50 of the season.

◆ IT was a bad day for the averages but a much needed morale boost for stoic Uplyme and Lyme Regis 2nds as they avoided defeat for the second week in a row *writes Paul Crompton*.

The "whipping boys" of the league refused to surrender after Ipplepen batted through their allotted 46 overs to secure a first innings knock of 377 –a decision they later regretted.

Openers Doxatt-Pratt and Lewis paved the way for the visitors with a partnership of 114. Paul Crompton (1-24) then caught and bowled the big hitting Tapley (93) and a drop early in Ranjit's (58) innings saw the runs continue to mount up.

Rory Holmes (2-40) returned the most successful spell.

In reply, a misunderstanding saw Sam Challis run out off the third delivery of the homeside's innings. However, a defiant knock by captain Eddie Clarke saw him hit his second half-century of the campaign after dropping to the middle order.

His 80-run partnership with youngster Oscar Christopher (22) put paid to the visitor's mis-placed hopes of an easy win.
